

Community Explorations Community Class

Join us offsite at our LI Strive's 'outdoor' classroom. This curriculum based class includes lessons, discussions, and activities specific to the location of the day. We will explore local farms, museums, parks and so much more! Classes may include environmental awareness, scavenger hunts, guided tours, nature, animals and habitats, and related projects.

631-223-8806

\$90/class (entry fees included)

Instructor: Christine Racca
