

RHYTHM & DRUMMING COMMUNITY CLASS

At LI Strive, our Rhythm & Drumming class offers an interactive and inclusive musical experience where participants explore self-expression, creativity, and connection through sound and movement. Each class combines guided instruction, hands-on practice, movement, and group participation. Students will explore different styles of rhythm, experiment with creating their own beats, and engage in collaborative musical collaboration.

Thursdays
2:45-
3:30 PM

Instructor:
Heidi MacAlpine
