

VINYL GUARD[®]

WINDOW & DOOR SYSTEMS LTD.

VINYL WINDOWS
2026

SETTING THE STANDARD FOR OVER 35 YEARS

Since 1991, Vinylguard has been providing Ontario's residential replacement, renovation, and new construction industry with windows and doors of the highest quality, as well as exceptional service and best-in-class lifetime warranty to support them. For over 35 years, our family-run business has remained true to our values, developing an outstanding reputation among dealers and homeowners for our dependability, flexibility, commitment, and expertise. Today, we continue to grow our legacy, upholding our mission to be the best in the industry.

Crafted to Perfection, Engineered for Life

Our lifetime warranty provides 100% coverage on all vinyl, glass seals, hardware, moving parts, workmanship, labour, and material. This warranty is fully transferable, non-prorated, and offers complete security, satisfaction guaranteed.

Cracked glass and paint carry their own specific warranties.

QUALITY CRAFTSMANSHIP

We're the best in the industry, passionate about creating quality products, and committed to the highest standards of craftsmanship.

STATE-OF-THE-ART FACILITY

Our state-of-the-art facility allows unrestricted creativity for design, and our precision machining ensures efficient and reliable production, every time.

SUPERIOR DESIGN

Our products dramatically improve the appearance of homes, with compositions that maintain their appearance for a lifetime.

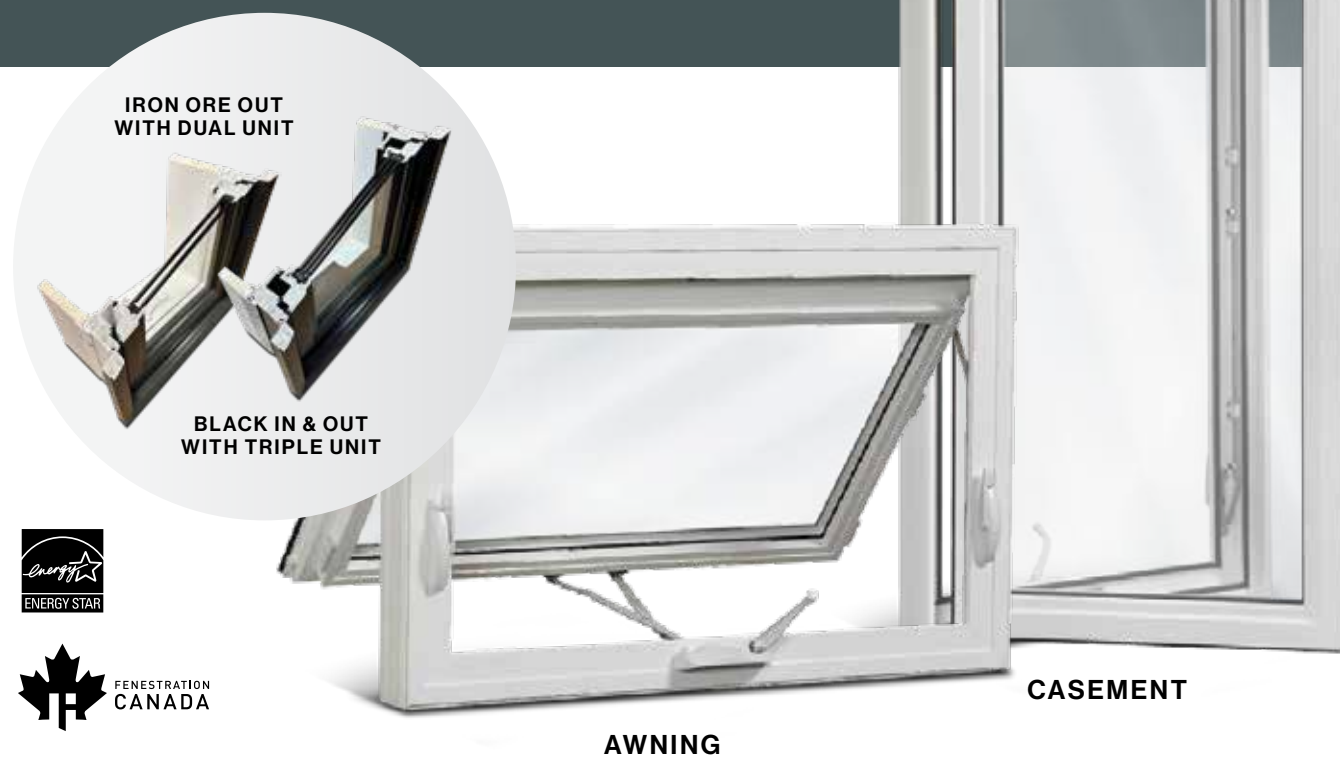

TESTED & CERTIFIED

All our window and door products meet the most current industry standards and are QAI® certified and Energy Star® compliant.

INTERNAL
MINI-BLINDS

Available for Casement, Awning, Fixed, and Hung windows only.

Internal mini-blinds offer maximum visibility and complete privacy with the touch of a finger. Simply slide the lever to raise, lower, or tilt the blinds, which are sealed between the insulated glass unit. Maintenance-free, no dusting, no exposed cords!

AVAILABLE COLOURS

HIGH-PERFORMANCE
GLAZING

Enhancing the outstanding thermal efficiency of all our windows is 7/8-inch high-performance glazing which includes Low-E glass, argon gas, and Super Spacer technology so your home stays cool in the summer and warm in the winter. Our dual-glazed package is Energy Star® compliant, ensuring environmental protection and superior energy efficiency all year long.

ENERGY STAR®
CERTIFIED

All Vinylguard windows qualify for the current government rebates without adding any additional options. Our standard Guardian glass package Low-E 80/71 is Energy Star® certified for all Vinylguard's window designs. Vinylguard offers many optional glass packages in dual and triple glazing that qualify for the current government rebates and are Energy Star® Most Efficient.

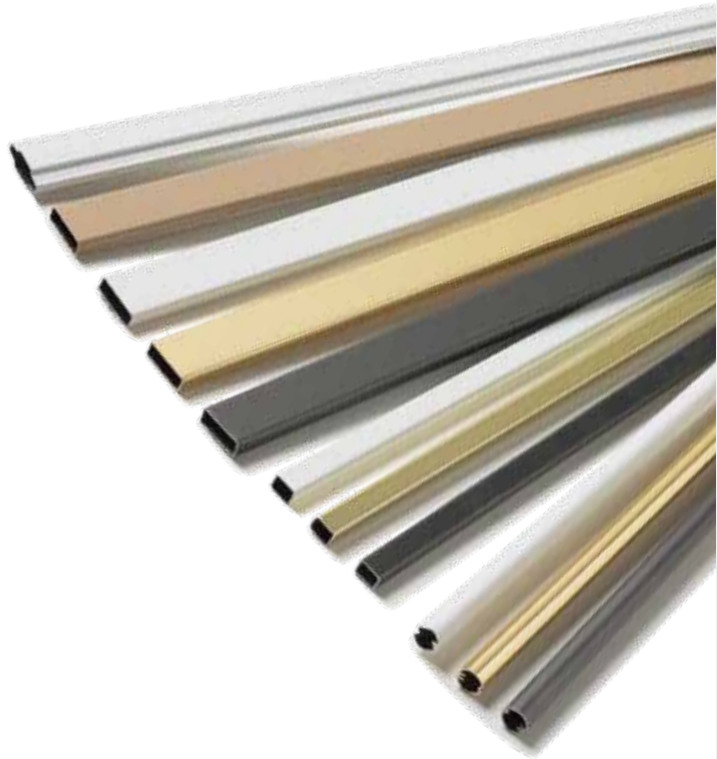

DECORATIVE
GLASS

Create your very own distinct decorative, wrought-iron, tinted, or textured glass design to express your unique personal style and taste. Customizing is our specialty.

DECORATIVE
GRILLS

Vinylguard offers a vast selection of internal decorative grills in every design imaginable, or choose the timeless elegance of our Simulated Divided Lites (S.D.L.). S.D.L.s now available in 1" Contoured, 1" Flat Contemporary, or 2" Flat Contemporary profiles.
