# CYBELE PRIVATE BEACH

Nestled on one of Ramatuelle's most iconic beaches, Cybele embodies relaxed elegance and the art of seaside living.

Its name, borrowed from the goddess of nature, pays tribute to the beauty of the Mediterranean and the harmony between land and sea.

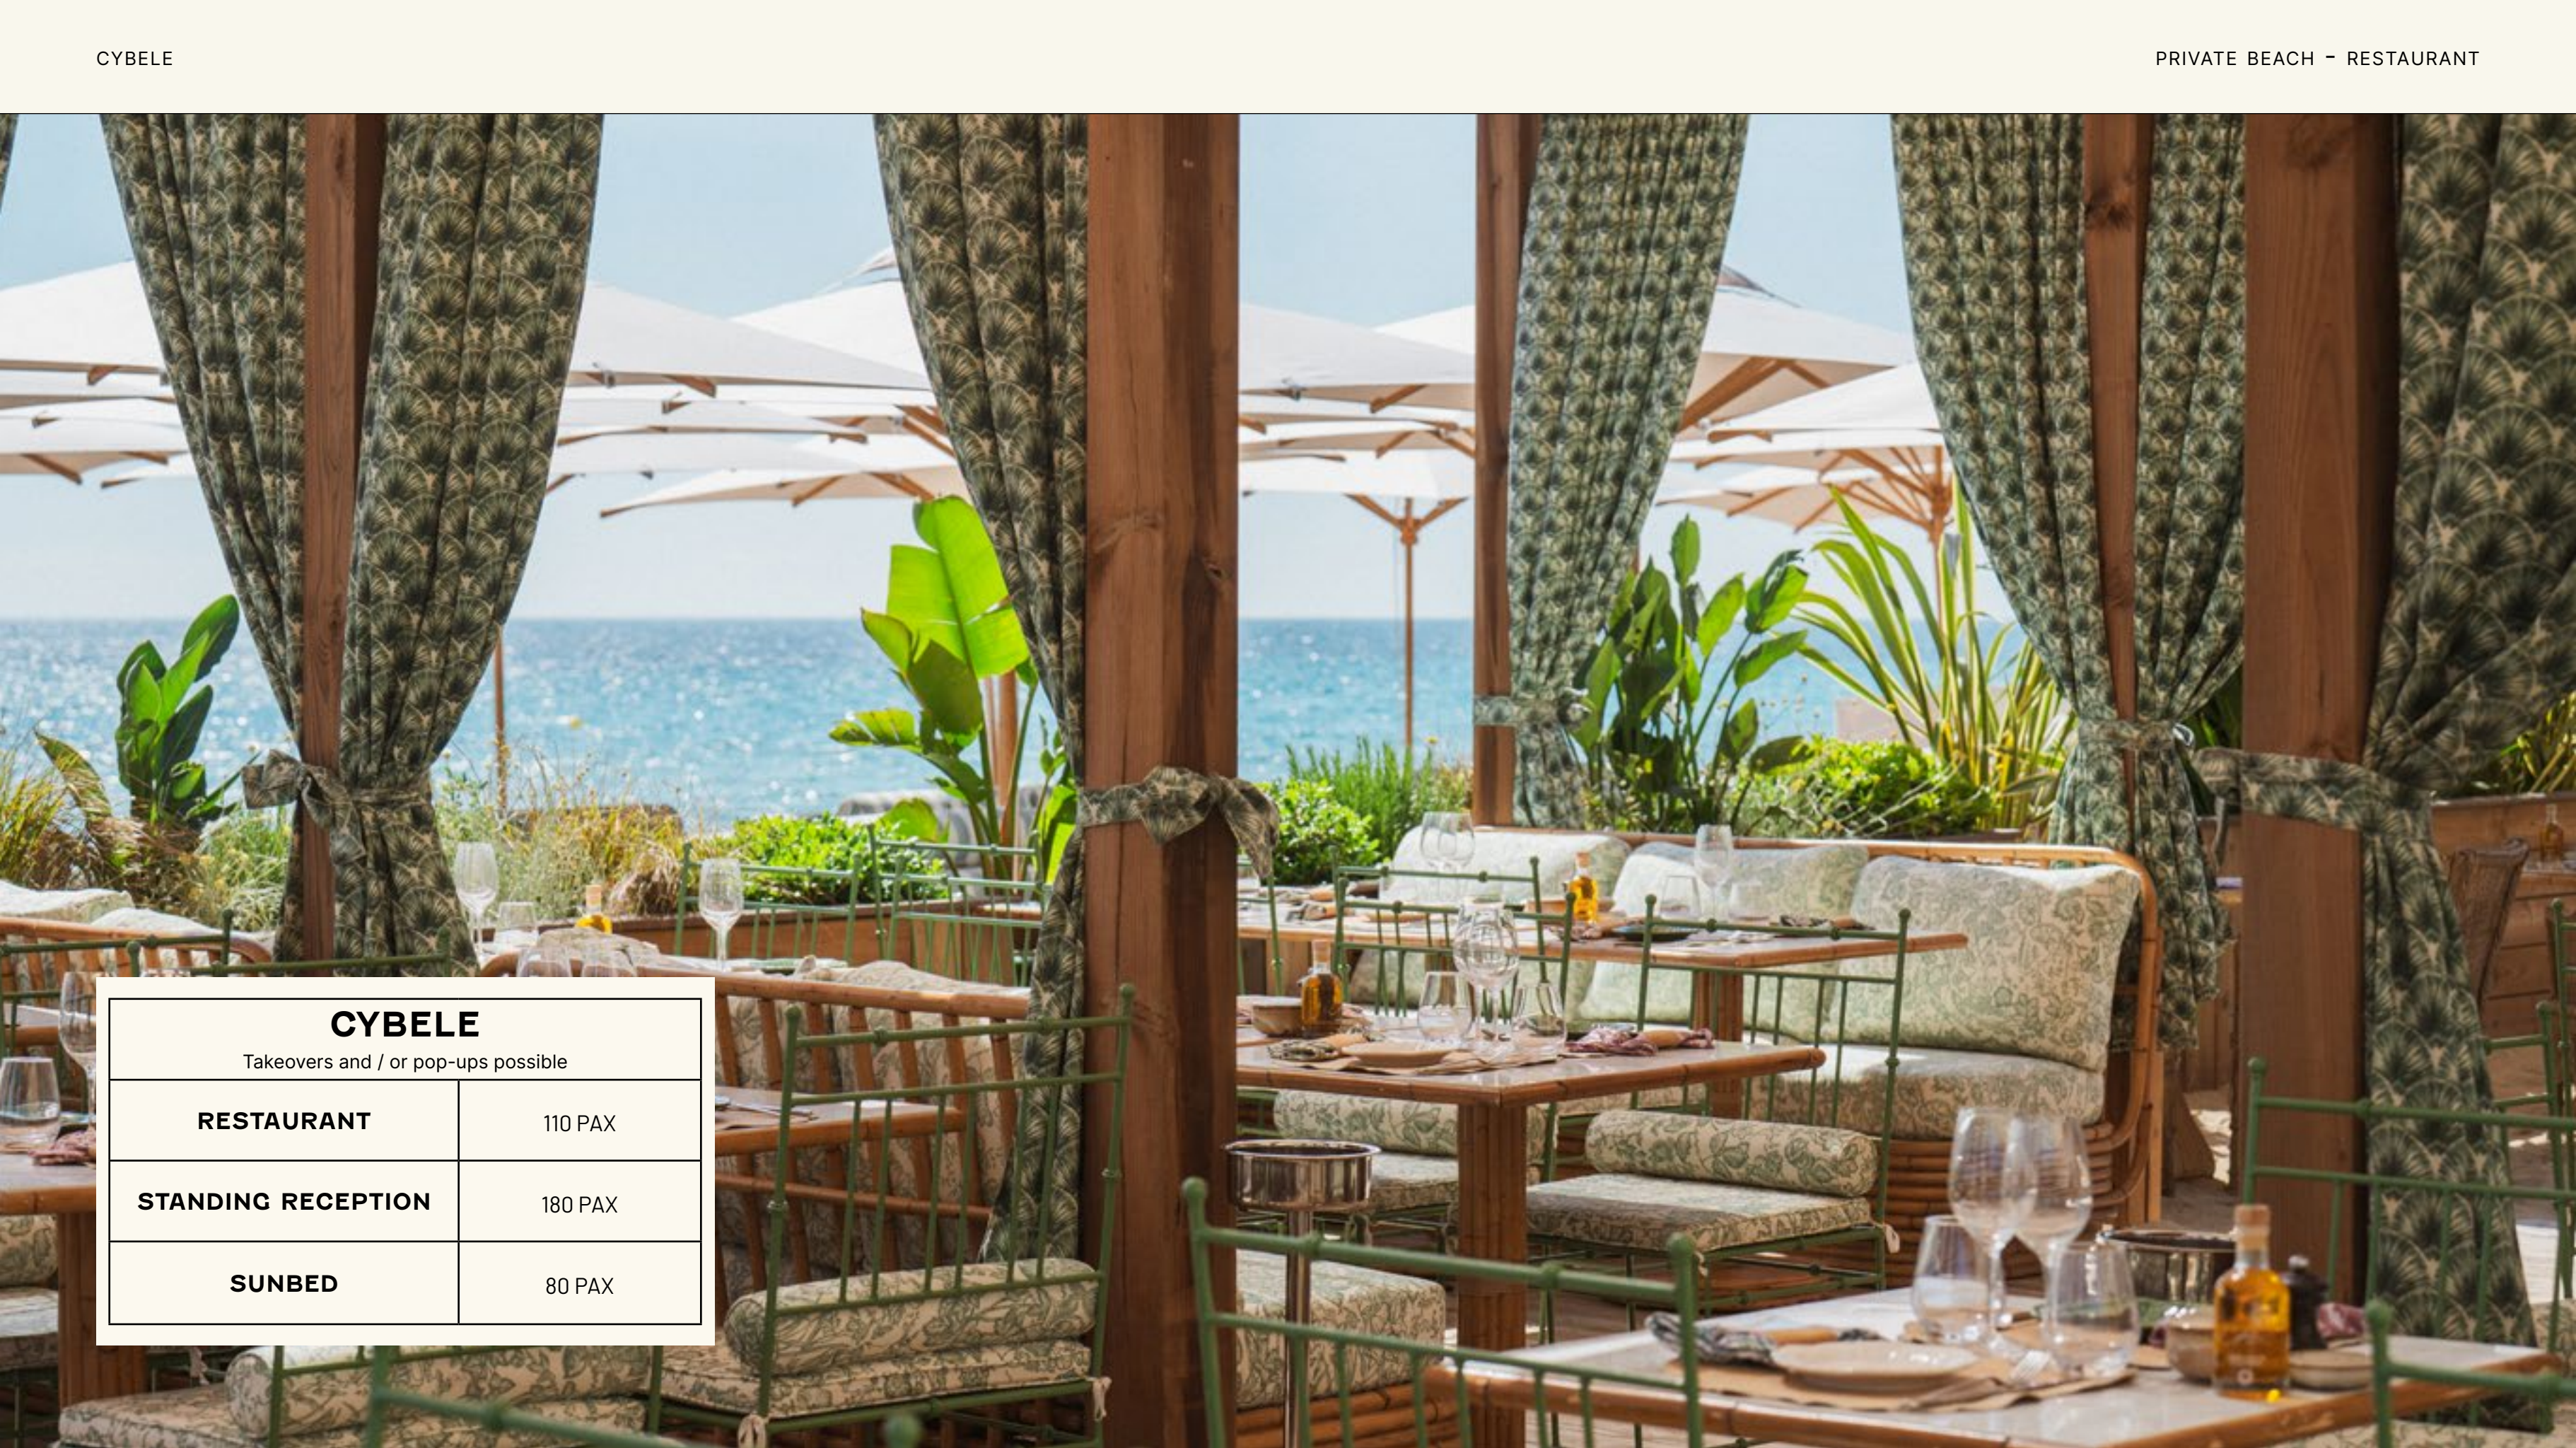

# CORDELIA DE CASTELLANE

Designed by Cordelia de Castellane, the decoration blends weathered wood, rattan, and linen in a palette ranging from sage green to lime green.

It is a place to gather with friends or family to enjoy simple and generous Southern cuisine, where fresh, local ingredients, such as fish, grilled meats or whole lobsters, are elevated to perfection.
