

# LUNADORO

'PAGLIARETO' VINO NOBILE DI  
MONTEPULCIANO DOCG

VARIETAL(S):  
SANGIOVESE

ALCOHOL CONTENTS:  
14.5%

## TASTING NOTES:

ITS RUBY COLOR EVOLVES TO A SOLID GARNET COLOR. IT HAS A COMPLEX AND CHARACTERISTIC BOUQUET WITH A MATURE FRUIT/DARK CHOCOLATE AROMA, BLACK PEPPER, PRUNE JAM, BLENDED WITH A FLORAL NOTE OF VIOLET AND CIGAR. IT IS WELL-BALANCED ON THE PALATE AND HAS SWEET TANNINS THAT CREATE A LONG-LASTING FINISH COMBINED WITH THE CORRECT ACIDITY.

## PAIRS WITH:

THIS WINE SUITS TRADITIONAL TUSCAN RECIPES, ESPECIALLY RED AND BRAISED MEATS, SOUPS LIKE "PAPPA COL POMODORO," AND MUSHROOM DISHES.

## MORE INFORMATION:

LUNADORO VINEYARDS ARE LOCATED, CHARACTERIZED BY MODERATE ALTITUDES, A CLIMATE INFLUENCED BY BOTH THE VAL DI CHIANA AND LAKE TRASIMENO, AND IS FAVORED BY EXPOSURE TO THE WIND THAT ENSURES A GRADUAL AND COMPLETE RIPENING OF THE BUNCHES.
