I am writing to recommend Angela Dunbar for any future endeavor in the field of design. Angela successfully completed an 8-week internship programme at Bitcube under the supervision of our design department, where she demonstrated exceptional commitment, talent, and dedication to growth within the design field.

During her internship, Angela participated in various aspects of design, with a particular focus on graphic design, corporate branding, Illustrator, Figma and UX/UI fundamentals. She possesses a keen eye for detail and the ability to translate ideas into visually appealing, compelling designs. Angela's understanding and passion for User Experience (UX) Design are evident in her execution of a variety of methodologies crucial to the design process.

Angela's positive attitude paired with her eagerness to learn made her a valuable asset to our team. She has proved herself to be a talented designer with a promising future in the industry, and I am confident that she will make meaningful contributions wherever her career leads.
