HADID

Fuelling

SERVICING ALL LOCATIONS

Through our network of global suppliers, we offer aviation fuel even in the most difficult locations.

COMPETITIVE PRICES

Benefiting from economies of scale, we are able to offer very competitive prices to our customers.

CREDIT FACILITIES

We offer our credit facilities even in the most difficult locations; HADID aviation fuel professionals are on hand 24/7 to provide up-to-date aviation fuel price quotations.

VAT EXEMPTION

HADID offers VAT exemptions and reclamation on fuelling across a growing list of countries. Members of the HADID VAT Exemption Program may claim exemption from VAT at the point of uplift when arranging fuel with HADID. Alternatively, we can assist members in reclaiming VAT after the provision of fuel services.

HADID

Navigation Support

CIVIL AVIATION COLLABORATION

Navigation support in collaboration with Civil Aviation Authorities worldwide.

STRATEGICALLY PLANNED ROUTES

HADID Navigation Support teams understand CAA billing cycles and how Navigation fees are calculated across different FIRs and can recommend adjustments to improve route optimisation.

OPERATIONAL COSTS REDUCTION

HADID corrects inconsistencies and ensures fair exchange rates and payments in the appropriate currencies during our navigational summaries.
