ADVANCED REPORTING

Why Advanced Reporting Wins for Financial Planning and Analysis
Us vs. Them

FEATURES / CATEGORIES	ADVANCED REPORTING	COMPETITORS
Price Point	Cost-effective, budget-friendly, with same advanced offerings	Expensive
Built for Smaller Organizations	Best for small to mid-sized organizations	Often designed for large enterprises
Implementation Time	Fast & simple onboarding	Long implementation (6–8 months avg)
Ease of Use	Easy to use with intuitive design; No IT required	Steep learning curve for advanced features
Customization	Highly customizable to fit your needs	Limited customization
Deployment Options	Flexible with on-premise options	Often cloud-only with limited deployment flexibility
Support	Dedicated, hands-on support that puts your success first	Lack responsive support that scales with your unique goals
IT / Consultant Dependency	No IT or 3rd party consultants needed	Often requires external consultants & extensive IT time
ERP Integration	Out-of-the-box Aptean ERP integrations	Generic integrations; not built specifically for Aptean environments
