Cooking Tips:

Cut calamari bodies into rings about ¼ in thick. In a large pan, sauté onions, shallots, bell peppers and garlic in 6 tbs of olive oil over low heat. When onions are transparent, remove veggies from pan and set aside. Turn heat to high and add remaining 2 tbsp of olive oil to the pan. When hot, add calamari and cook for 30 seconds. Pour in red wine and bring to a boil. Add sautéed vegetables, tomatoes, parsley, paprika salt and pepper. Cook slowly for 3-4 minutes. Do not overcook, serve immediately over rice
