Cooking Tips:

Pat dry fish with a paper towel to remove excess liquid. Rub olive oil on the fish generously, then add salt and pepper. Heat a grill and brush the grill grates with oil or grease a cast iron skillet. Add the fish and cook for 2-3 minutes or until the sides become slightly opaque. Flip the fish and cook for a further 2 minutes. Remove the fish from the grill, drizzle some lemon juice on top, and sprinkle with freshly chopped parsley or cilantro.
