

# ROYALS HOPE WEEKLY

OCTOBER 6, 2025

## UPPER SCHOOL CHAPEL (7-12)

Today during chapel, Mr. Bradley finished a series of messages talking about the essentials of a Biblical Worldview. Obviously, an essential piece of this worldview is the gospel of Jesus Christ. We talked about how it's not enough just to know what the facts are about the gospel; there must be a turning point in each individual life that involves repentance from sin and faith in Christ. One of the verses referenced was Mark 1:14-15.

"Now after John was taken into custody, Jesus came into Galilee, preaching the gospel of God, and saying, **The time is fulfilled, and the kingdom of God is at hand; repent and believe in the gospel.**" Mark 1:14-15

## LOWER SCHOOL CHAPEL (K-6)

Today in lower school chapel, Pastor Ron Dazell spoke to the students about integrity. Integrity means to be consistent throughout our being. Christian integrity is to represent Christ in our attitudes, speech, and conduct. Jesus came to save us from our sins, and He also regenerates us to newness of life. He is our Savior and also our Lord. He is worthy to receive all of our personal being.

Jesus taught in Luke 6:46-49 that a child of God is to honor God with both his words and his obedience. "**Why do you call Me 'Lord, Lord,' and not do what I tell you?**" He asked..."**but the one who both hears and obeys is like the man who built his house upon the rock.**" Eventually, the storms of life will come against us. When trials come, the hypocrite will cave, but the man of integrity will endure in Christ.

### CLASSICAL CORNER

**"Has interest in the classical education model grown recently?"**

Starting with the 1970's, Christian schools were using secular curricula, then adding a Bible class so that we could have prayer in schools again. But we were still educating the same way.

That is still the case in many Christian schools—they don't differ very much in their curriculum and pedagogy. As the culture is becoming more secular, Christian parents are saying, "Well, I can't do that anymore. So what are my options?" And they're hearing that there are these schools that are classical. They've grown enough that in every major metropolitan area there's one or two classical schools, and a lot of homeschoolers are doing classical education.
