

ROYALS HOPE WEEKLY

JANUARY 12, 2026

LOWER SCHOOL CHAPEL (K-6)

Today in lower school chapel, the sixth graders performed skits and scripture passages to give a clear picture of what having humility looks like and why it is important. As they performed, the lower school students identified the aspects of humility. The following definition of humility was shared: "a true view of yourself before God, acknowledging your dependence on God and focusing on others' needs more than your own." They explained that while it is important to be humble, we can only have humility by God's grace and through looking to Christ. We can look to Christ through reading the Bible, prayer, singing, and worshiping Him. The more we look at Jesus, the less we will look around to see if others are looking at us. The sixth graders closed chapel by sharing one way they can be humble and one verse that reminds them to have humility. May we all have a heart of humility.

UPPER SCHOOL CHAPEL (7-12)

Today in upper school chapel, the students had their final practice chapel sharing gospel presentations with their classmates.
