

ROYALS HOPE WEEKLY

March 16, 2026

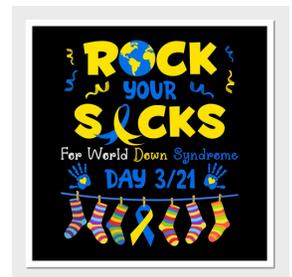

UPPER SCHOOL CHAPEL (7-12)

Today in upper school chapel, Mr. Bradley talked to the students about preparing for our resurrection celebrations. We are using our chapel times leading up to that important week by looking at the rich history and meaning of the time. Students used Exodus 12 and Leviticus 23 to map out the days not only leading up to Passover, but also to Pentecost. After understanding how many of these important celebrations were types and shadows of Christ, we will begin to see the whole Bible pointing to Jesus our Savior.

LOWER SCHOOL CHAPEL (K-6)

Today in chapel, Pastor Derrick Howry and his wife Melyssa shared a special message in recognition of World Down Syndrome Day which is on March 21. They talked about the science behind Down Syndrome and what makes it unique. From there, they connected that knowledge to a biblical perspective on compassion. Scripture reminds us that God intentionally created every person in His image. Because of that, every life carries dignity and value. True compassion begins with God and flows through His people, calling us to treat others with kindness, patience, and love. Even when we see differences among us, those truths remind us to respond with understanding and care, reflecting the compassion God has shown to each of us. His compassion extended to us through Jesus on the cross, bearing the weight of the justice we deserved. Because we have experienced the incredible love and compassion of our God, how can we withhold it from one another?

“Then Yahweh passed by in front of him and called out, “Yahweh, Yahweh God, compassionate and gracious, slow to anger, and abounding in lovingkindness and truth.” -Exodus 34:6
