CLASSICAL CORNER

Parent Engagement Series-Remembrance

A feast is not only an invitation to eat; it's an invitation to remember. Remembrance is what gives facts meaning and turns learning into belonging-the feasts of old reminded God's people not only what happened, but also whose they were and to whom they belonged.

Telling family stories is a great way to remember God's faithfulness in your own family roots with learning in a lived experience. When remembrance becomes normal, education stops feeling like a pile of assignments. It begins to feel like participation in a larger inheritance.

A great tip is to try to make sharing family stories a regular dinner table or on-the-road routine.

PLEASE PRAY FOR:

- The safety and health of our students and staff.
- Our hearts to remain grateful and compassionate.
- Opportunities to share Christ's love in the darkness.

PRAISE GOD FOR:

- Our wonderful warm building we can learn in!
- The ability to have indoor recesses during cold weather days.
- The many hands and hearts which help make HCA happen!

The temps are getting colder! Students have plenty of room in their lockers and cubbies for extra shoes, hats, coats, and gloves. Please be sure to have your student prepared to go outside for recesses. Also, please be sure to label your student's items.

MANNER OF THE WEEK

"Ask about others in conversation.

"Walk in wisdom toward outsiders, making the best use of the time. Let your speech always be gracious, seasoned with salt, so that you may know how you ought to answer each person." Colossians 4:5-6
