CIGARS

Cepo 42 Cohiba Siglo 2 - **Strength: Strong - Medium**

595

The leaves for Cohiba are the «selection of selection» from the 5 finest Vegas de Primera in San Juan y Martinez and San Luis districts of the Vuelta Abajo zone. Uniquely amongst Habanos up to three of Cohiba's filler leaves, the seco, ligero and the rare medio tiempo, undergo an additional fermentation in barrels.

With greater lightness, freshness and richness of flavours this will definitely tempt the nature of those who find Cohibas too strong.

The light flavors revolve around chocolate, caramel, and vanilla notes which appear slowly and soft.

Pairing: **The Yamazaki Single Malt Japanese Whisky, Aged 12 years**

190

Cepo 50 The Arturo Fuente Rothschild Maduro - **Strength: Mild - Medium**

355

The Arturo Fuente Rothschild Maduro cigar comes from the family's Gran Reserva line, using fine vintage tobacco to create some of their most sought-after cigars. This cigar is an excellent choice for those looking for all the flavour of a large-format smoke packed into a more approachable size.

Carefully contained within the maduro wrapper of this cigar is all-Dominican filler, which will produce vanilla, nut and citrus flavours for the smokers.

Pairing: **Ron Zacapa XO Centenario, rum aged between 10 and 25 years**

120

Cepo 40 Romeo Y Julieta NO. 3 - **Strength: Medium**

375

The Coronitas vitola is popular among aficionados who are looking for a shorter smoke. It measures 117mm by a 40-ring gauge, making it ideal for someone short on time. Winston Churchill was one of the most devoted smokers of the Romeo Y Julieta brand. Since his visit to Havana in 1946, his name was not only used in Habanos rings, but granted to one of the best known vitolas of the brand and of Habanos.

Sweet, spicy, and floral aromas fall on the nose, turning to oak, evoking notes of toast, nougat, earth and white pepper.

Pairing: **The Macallan Double Cask Matured 18 Years Old**

180

DRAGONFLY
