

I bought a brand new pair of shoes.  
You suppy have to see.  
They're purple pink and pretty.  
They're lovely as can be. ✓

They're topped with silver sparkles  
So they shimmer in the sun.  
They're awsome when I'm walking  
And they're stunning when I run. ✓

The laces look like rain bows  
And the back have flashing lights  
The sides are lined with lightning bolts  
They're such amazing sights. ✓

But now my friends avoid me  
when they see me on the street  
indeed! my shoes are pretty  
but they smell of stinky feet. ✓

Well done, Lara. Neat  
writing today.
