LO - I can identify the features of a non-chronological Report

## Elephants

Elephants live in Africa and India and are the largest animals that live on land.

### What do elephants look like?

Elephants have tough grey skin and large ears. They have a long nose called a trunk that they use to drink water. African elephants have bigger ears than Indian elephants. Elephants have tusks to protect them from other animals.

### What do elephants eat?

Elephants are herbivores and eat bark and leaves from trees.

### What do elephants do?

Elephants are usually very gentle but can get quite cross. Elephants are very clever and know how to find water even when it is far away. When they find water, they like to swim.

A bull elephant

### Did you know?

A mother elephant is called a cow. The dad is a bull, and a baby is called a calf!

Facts

Elephants cover themselves with mud and dust as sun-cream.

Well done, Florence. Super work identifying the features of a non-chronological report.
