The JW Marriott Turnberry Miami Resort & Spa

We often marvel at how far we have come since our first Passover program. It started with Sam and Arlene Lasko for Passover 1988, and we counted ourselves nothing short of blessed to have 336 guests join us at the Bonaventure Resort!

Fast forward almost four decades and we continue to count our blessings as a 2nd and 3rd generation business leading the luxury kosher vacation industry. Our annual Passover program plays host to 1,000+ cherished guests with 250+ staff members catering to every whim. We plan meticulously so you feel luxury in even the smallest details of your vacation.

We can't wait for you to join us.
