

RC BIOZYM CLEAN

BIODEGRADABLE CLEANING PRODUCT BASED ON NATURAL ENZYMES

Facade cleaning | Cleaning products

ADVANTAGES OF RC BIOZYM CLEAN

- ✓ Self-cleaning properties
- ✓ Enzyme-based
- ✓ Can be diluted with water up to 1:5 depending on contamination
- ✓ Biodegradable: 98% in 28 days
- ✓ Long-lasting after-effects

Description

RC BIOZYM CLEAN is an enzyme-based liquid cleaner for cleaning atmospheric soiling. The specially selected enzymes break down the soiling after which rainstorms wash off the dirt and reactivate the enzymes for long after-effects.

Substrate

For use on all exterior surfaces such as:

- Flat and pitched roofs: slates, tiles, corrugated sheets ...
- Facades: brick, concrete, plaster, crepi, wood ...
- Terraces and driveways: clinkers, tiles, flagstones, tropical hardwood ...
- Ornaments and garden statues: terracotta, concrete, plastic, natural stone, bluestone ...
- Bluestone (bluestone): sills, tombstones, door frames ...
- Garden furniture: teak, plastic, metal, wood ...
- Caution for use on painted surfaces

Application instructions

Apply RC BIOZYM CLEAN sufficiently to dry or slightly damp substrates using a low-pressure pump, brush or watering can.

Consumption

0.1 - 0.2 litres/m², depending on the nature of the substrate.

Technical characteristics

Physical state	Liquid
Density	1,02 g/cm ³
pH	9,5
pH solution	≤ 0 %
Solubility in water	100 %
Odour	Characteristic

Security

Pure product: Causes severe eye irritation. Harmful to aquatic organisms, with long-lasting effects. When obtaining medical advice, keep container or label at hand. Keep out of the reach of children. Wear eye protection. IF CONTACT WITH EYES: rinse carefully with water for several minutes; remove contact lenses, if possible; continue rinsing. In case of persistent eye irritation: consult a doctor. Dispose of contents/container to a hazardous or special waste collection point in accordance with local, regional, national and/or international regulations.

For more information, refer to the most recent safety data sheet.

Remarks

- Does not attack glass. In case of contact with glass, rinse thoroughly and do not allow the product to dry.
- Does not stain bluestone.
- Do not mix with other cleaning products.
- Do not use on aluminium, zinc, galvanised steel or anodised surfaces. In case of accidental contact with metal surfaces, rinse thoroughly and do not allow the product to dry.
- Do not apply in rain, when rain is imminent, in frost or when overnight frost is expected.
- Do not apply in direct sunlight or onto a hot surface. This accelerates drying and may cause staining.
- Do not apply when the ambient and substrate temperatures are below 8°C.
- Use with caution on painted surfaces. Always carry out a preliminary test on an inconspicuous area.
- After application, a slight reddish-brown discolouration may occur; this will disappear after some time.

Cleaning of equipment

With water immediately after use.

Storage / Shelf life

- 3 years after production in the original closed packaging.
- Keep only in the original container in a cool, well-ventilated place.

Packaging

5 liters (item no. S10368)

10 liters (item no. S10366)

25 liters (item no. S10367)

Legal Notes

The information, and, in particular, the recommendations relating to the application and end-use of Reynchemie products, are given in good faith based on Reynchemie current knowledge and experience of the products when properly stored, handled and applied under normal conditions in accordance with Reynchemie recommendations. In practice, the differences in materials, substrates and actual site conditions are such that no warranty in respect of merchantability or of fitness for a particular purpose, nor any liability arising out of any legal relationship whatsoever, can be inferred either from this information, or from any written recommendations, or from any other advice offered. The user of the product must test the product's suitability for the intended application and purpose. Reynchemie reserves the right to change the properties of its products. The proprietary rights of third parties must be observed. All orders are accepted subject to our current terms of sale and delivery. Users must always refer to the most recent issue of the local Product Data Sheet for the product concerned, copies of which will be supplied on request.
