CHAIRMAN'S STATEMENT

It is with great pride and renewed enthusiasm that I welcome all our players, coaches, parents, managers, and officials to the Shellharbour City Basketball Association for our second year as an affiliate of Basketball NSW.

What an incredible journey it has been since our inaugural season. In just one year, we have witnessed the growth of a vibrant and passionate basketball community united by a love for the game and a shared commitment to building something truly special.

From the energy of our junior competitions to the dedication of our volunteers, the Shellharbour Bulls have already begun to carve out a strong identity built on teamwork, resilience, and community spirit. Our players have shown determination on the court, our coaches have nurtured skill and confidence, and our volunteers and supporters have brought this Association to life with their unwavering dedication.

As we enter our second year, we do so with strengthened foundations and even greater ambition. We are focused on expanding opportunities for participation, enhancing our development pathways, and fostering a culture that prioritises respect, inclusivity, and personal growth, both on and off the court.

To our returning families and new members alike: thank you for choosing to be part of this journey. To our volunteers, sponsors, and supporters: your continued belief in our vision fuels everything we do.

Together, we are not only growing a basketball association, but we are also building a legacy that will inspire future generations of players in Shellharbour and beyond.

Here's to another fantastic year of progress, passion, and Bulls pride. Let's keep pushing forward together.

 - Notify coach or team manager as soon as possible.
 - Playing time may be reduced, not to penalise, but to acknowledge that players who attend are physically and mentally prepared to play.

Respect for Referees:

- Players, coaches and parents must show respect for referees, during and after games.

Parents can reduce stress on players by:

- Making sure the player arrives at games and practices on time.

- Not talking to players on the court, on the sideline, i.e., no coaching the team or individual player.
- Letting the player relax and interact with other players between the games.
- Be a parent. Players need their parents and not a second coach or referee, no matter how qualified you may or may not be.

Communication:

- The SCBA encourages open communication.
- If a parent needs clarification on an issue, please contact the coach for clarification.
- If a parent has a concern, please wait 24 hours before discussing the issue.
- If not satisfied with concerns being addressed, concerns should be discussed with the 2026 Representative Delegate through the correct channels.

Consequences of violating Program policies:

- 1st Warning - Generally, informal discussion with player or parent.
- 2nd Warning - Formal discussion with player or parent.
- 3rd Warning - The matter will be brought before the SCBA Executive Committee.

The Shellharbour City Basketball Association is a non-profit, community-based organisation that has initiated a Basketball Program to support players and coaches that wish to pursue the sport of basketball at a level where each can test their physical and mental abilities to achieve their potential in the sport and grow their unique personal attributes so as to be the best version of themselves, they can be. Being a non-profit means that most of the activities that are required to deliver these opportunities are undertaken by volunteers. SCBA expects every person that avails themselves of any of the opportunities promoted by SCBA to respect all of those involved.

Representative basketball is a highly competitive program and playing time is never guaranteed. Some players will play more than others and coaches will have different philosophies on rotating their players. With the exception of Under 12s, where all players must play in both halves, players have no guaranteed court time.

Court time will be allocated at the coach's discretion. Players will improve their chances of gaining additional court time by adhering to expectations set by SCBA with regard to attendance, punctuality, behaviour, appearance and attitude towards their coaches, teammates, referees and extended members of the basketball community. Increases in court time can also be found by demonstrating improved playing ability.

Players will not argue with referees during a game. For any problems, players are to inform the coach so that they may approach the referees if necessary. Players are expected to be teammates at all times both on the court and on the bench. Negativity toward team members will not be tolerated.

- If junior players are unable to obtain a referee level 0 certificate they must undertake volunteer duties.

COMMITMENT

Player Commitment

Players must be prepared to work hard to gain positive results and be willing to accept responsibility for their own performance. Don't blame other people and don't make excuses. Great players know they are responsible for their own destiny. Respect the people willing to help you reach your goals. Listen and learn from your coaches, give them your undivided attention, and remember they are there primarily for your benefit, not theirs.

Basketball will develop you as an athlete, but it also presents you the chance to develop as a person.

Commitment – Being a part of a team demands that you can carry out your commitment to others. This will mean that you will need to give up some personal wishes and make sacrifices for the group.

Perseverance – When things aren't going your way you must never give up when you are part of a team. Your team will need your total effort even when it is not your day.

Teamwork – It is crucial that in sport and life you are able to work in a team situation. Sometimes this means learning your role and doing what is best for everyone and not just yourself.

Learning to Compete – This does not mean winning at all costs but rather always competing to the best of your ability. Competition is present in all aspects of life, and it teaches us to value our victories and to be gracious in our defeats.

Respecting Others – In life we must learn to respect everybody regardless of their roles and differences. In basketball, we expect respect to be given to opponents, teammates, coaches, referees, spectators and administrators.

Disciplinary Action

All incidents will be reported to the Representative Delegates and/or Senior Coaching Staff.

Poor Sportsmanship - The coach has the option to sub the player off the court. If there is a second offence they will be left off for the rest of the game.

Technical Foul - Any player's technical foul, the player should be subbed off the court. The coach will decide whether this player will take any further part in this game depending on the severity of the incident. As a minimum the player will sit off for 10 mins. The coach will decide whether this player will return to the court in that game, start on the bench for the next game or not play the next game.

Training - Failure to be punctual or to appear at training sessions may result in the coach deciding to limit a player's court time (without valid/approved excuses). Failure to adhere to player expectations during a training environment may also lead to a player receiving court time affected sanctions from their coach, non selection for the John Martin Country Tournament or removal from the team.

Off Court Incidents - If a player is found to be behaving in a manner negatively affecting the reputation of SCBA, their coach will be informed, and it may result in limited playing time, non selection for the John Martin Country Tournament or removal from the team.

Disrespectful behaviour: Any players who engage in behaviour deemed disrespectful to members of SCBA, referees or opposition will be subbed off the court. A second offence will lead to said player being left off for the rest of the game, an official warning and any other disciplinary action deemed necessary.

Refer to:

<https://www.bnsw.com.au/wp-content/uploads/2021/08/2020-BNSW-Disciplinary-Tribunal-By-Laws.pdf>

Player Communication - The cornerstone of successful basketball is communication. Any issues with a teammate or opposition player should be communicated with the Coach or Team Manager. No arguing or negative communication with referees during games. Any problems will be communicated with the Coach or Manager. The Manager should then find the referee co ordinator or court controller of the venue. Use positive communication and encouragement toward teammates.

FUNDRAISING/SPONSORSHIP

- All sponsorship will be spread evenly across all teams.

PARENT/GUARDIAN RESPONSIBILITIES

Parent/Guardian Pledge

SCBA has implemented codes of conduct for all its stakeholders. Please make yourself familiar with the code as it applies to you as a parent:

- I won't pressure my child in any way - I know that this is their game not mine!
- I will not use bad language, nor will I harass players, coaches, officials or other spectators.
- I will encourage my child to play within the rules and respect officials and coach's decisions - no matter what.
- I will teach my child to respect the efforts of their opponents.
- I will remember that children learn best by example so I will applaud good plays or performances by both my child's team and their opponents.
- I will give positive comments that motivate and encourage continued effort.
- I will focus on my child's and their team's efforts and performance - not the score.
- I will thank the coaches, officials and other volunteers who give their time to conduct the event for my child.
- I will volunteer my services and help when asked by a coach or official.
- I won't criticise or ridicule my child's performance or any other team members. I realise that good fun and enjoyment is more important than a good win.
- I will not arrive at the venue intoxicated or under the influence of illicit drugs, or drink alcohol or consume illicit drugs at junior matches.
- I will respect the rights, dignity and worth of all the people involved in the game, regardless of their gender, ability, or cultural background.

The LAW

Players or guests under the age of 18 are not to consume alcohol or illicit drugs. No players or guests are to supply alcohol to minors under any circumstances. Taking or supplying illegal substances is not permitted under any circumstances.

Alcohol consumption is restricted to licensed or designated areas and is prohibited during junior basketball activities. Further information can be found here - <https://www.bnsw.com.au/conditions-of-entry/>

COMPLAINT PROCEDURE

- Do not approach the Coach or Team Manager in front of other players, parents or supporters. Please request a meeting at a suitable time to discuss issues with both Coach and Team Manager.
- If a parent, please ensure you do not discuss complaints or issues in front of your child(ren).
- If a solution cannot be reached at the meeting then the matter should be referred to the SCBA Representative Delegate. Should a suitable outcome not be reached, the issues will be heard by the SCBA Disciplinary Committee.
- If a complaint is of a more serious nature, it should always be directed to the MPO via the website complaint form - <https://www.shellharbourcitybasketballassoc.com.au/more/complaints>

CHILD PROTECTION

Shellharbour City Basketball Association Inc adheres to Basketball Australia's Member Protection By-Law as adopted in June 2018. A copy of this policy can be downloaded from the BNSW website.

Working with Childrens (WWCC)

- **ALL** coaches, team managers, referees, and committee members, are required to have a verified NSW Working with Children Check, <https://www.kidsguardian.nsw.gov.au>

SCBA Member Protection Officer:

Michael John – mpo@shellharbourcitybasketballclub.com.au

They can be contacted in regard to concerns that you may have about the safety of your child.

WWCC is free for volunteers and requires attendance at a Services NSW shopfront with a completed form available from <https://www.service.nsw.gov.au/transaction/apply-for-a-working-with-children-check>

In addition to this, SCBA encourages the following actions:

Make sure your child is aware of personal safety

- Talk to your child about keeping safe. Encourage them to tell you straight away if they feel uncomfortable or have worries about an adult's behaviour, whether during sport or recreation activities or any other situation.

- Tell your child that he or she always has the right to say 'no' if an adult is trying to persuade them to do something they feel is wrong, or which makes them feel frightened or uncomfortable and that you will support them through this.
- Make sure your child understands about their rights to privacy and respect of their body in order to recognise what is acceptable touching by an adult and what is not.
- Develop an emergency plan for your child to follow in situations where they may be at risk of harm, for example when going on overnight or away trips.

Be aware of possible danger signs

You should be wary of an Association where staff and volunteers behave in the following ways:

- coaches that run private closed practices on a regular basis and operate independently of the Association;
- a coach that increases the amount of time they spend with your child beyond the training session and shows favouritism;
- parents are discouraged from watching or becoming involved in training or other activities;
- rough play, sexual innuendo or humiliating punishments are part of Association practices;
- inappropriate physical contact, inappropriate discipline and language is the norm
- adults in your Association invite children to spend time alone with them outside of scheduled sport or recreation activities;
- poor communication with parents and parental involvement is discouraged; or
- if one or more children suddenly drop out of sport or recreation activities for no apparent reason

You should consider reporting your concerns to:

Local: SCBA Member Protection Officer, Representative Delegate, Executive Board

State: BNSW Member Protection Officer, Child Protection Helpline, Anti-Discrimination Board of NSW

BASKETBALL NEW SOUTH WALES PLAYER PATHWAY

BNSW - Zero Tolerance & Sports Rage Policy

To ensure a safe and enjoyable playing environment for all players officials and participants, Basketball NSW has in place a Zero Tolerance Policy and Sports Rage Policy for inappropriate behaviour at any BNSW sanctioned events.

Basketball NSW also recommends and adopts the guidelines from 'Play by the Rules', the NSW Office of the Children's Guardian, and the NSW Office of Sport & Recreation in regard to safe sporting environments and sports rage. Sport rage is any violence, foul language, harassment, abuse or bad behaviour in sport. Any form of sport rage is bad for sport - reducing enjoyment, risking safety, and tarnishing club reputations. Please see the website below for further information:

<http://www.playbytherules.net.au/>

<https://www.kidsguardian.nsw.gov.au/>

<https://sportand recreation.nsw.gov.au/clubs/rvc/fairplay/sportrage>

This Policy will ensure that:

1. There will be a zero tolerance shown towards any inappropriate or abusive behaviour from any participants and/or spectators.
2. Any participant or spectator who feels the necessity to:
 - o Persistently or wilfully question or challenge the rulings of referees
 - o Berate or abuse referees
 - o Berate or abuse players
 - o Berate or abuse other parents or spectators
 - o Display conduct which is inappropriate in a sporting environment
 - o Breach any applicable NSW or Commonwealth laws
 - o Breach any existing BA or BNSW by-laws, codes of conduct, policies or guidelines

will be asked to leave the venue immediately. Failure to leave when requested will result in the BNSW or Association representative taking appropriate action to safeguard the safety and wellbeing of players, spectators and parents. No warnings need to be given in the event of the above action becoming necessary. Any participant who has been requested to leave an event may also be suspended, required to attend a disciplinary hearing, and/or refused entry for future events.

BNSW reserves the right to refuse entry to any BNSW events for any person(s) in breach of the BNSW Zero Tolerance Policy.

This action has become necessary due to previous instances of inappropriate and abusive behaviour at events conducted by or on behalf of Basketball NSW and our desire to nurture a safe competitive environment for all participants. BNSW implores any parents or spectators who feel that they cannot refrain from the above behaviour not to attend. Parents, spectators or organisations who would like to offer feedback or request clarification on officiating issues should direct their feedback through their association or organisation. That association or organization may then make a formal approach to BNSW regarding any such concerns or complaints in relation to officiating.

The health of our game depends on the nurturing and development of game officials and younger players. It is the aim of Basketball NSW to help associations increase this capacity.

Please note that any action taken under this policy and procedure is entirely separate to any action that may be necessitated by law under the NSW Child Protection Legislation, or any other action in accordance with the BNSW Disciplinary Tribunal or Member Protection By-Laws.
