Dear Prospective Sponsor,

Shellharbour City Basketball Association strives to provide opportunities for everyone in our community to participate in healthy, safe and inclusive basketball activities in a fun and family orientated environment. The Association is managed by dedicated volunteer staff, all of who tirelessly provide their skills, time and assistance to ensure the Association can offer a variety of structured programs.

As we are a local community sports association, our major source of revenue is generated from membership fees and donations received from generous individuals & businesses. These funds are then reinvested into the Association for the benefit of all members.

We are looking for businesses to sponsor our teams via a monetary donation that will be used to facilitate and pay for their training sessions, court fees, subsidise uniforms and enable high level interclub competition in the off season. Other events like holiday camps, high performance training sessions with Basketball NSW coaches and gala day type activities are also items on the agenda for next season

We are a not-for-profit, community-based organisation that has initiated an assortment of playing programs from skill development to representative level competitions. We support players and coaches that wish to pursue the sport of basketball at any level.

Kind regards,

Adam Woodward

President

Shellharbour City Basketball Association is a not-for-profit association that was established in February 2024. The association was formed as there was limited access to representative competitions within neighbouring associations. Our local domestic junior competitions have grown very quickly in the last couple of years and to allow our children a fairer opportunity to join a representative team the decision to form an association was made. Thanks to the tireless efforts of our committee, made wholly of passionate volunteers, we were successful with Basketball NSW.

Our core values are:

- We will encourage our members to compete in the spirit of good sportsmanship and to treat ALL participants and officials with respect;
- We will aim to develop our members as good citizens as well as good basketball players, coaches and officials;
- We will deal with our members with honesty and integrity;
- We will recognise the importance of each individual within the overall success of Shellharbour City Basketball;
- We aim to have our teams consist of players that are true representatives of Shellharbour City Basketball and will minimise recruitment from other Associations.
