

Digi Dash AI Terms of Service

These AI Terms of Service ("AI Terms") govern the use of AI-powered services provided by Digi Dash, including but not limited to trivia generation, image generation, and 3D object generation (collectively, "AI Services"). By accessing or using the AI Services, you agree to these AI Terms, which are incorporated by reference into the Terms of Use and the Digi Dash Master Services Agreement.

1. Scope of AI Services

Digi Dash provides AI-powered tools that allow users to generate trivia, images, and 3D objects using proprietary in-house models and third-party AI providers. The AI Services are designed to enhance user experience but may produce content that is imperfect, unpredictable, or unsuitable for all purposes. Users are solely responsible for reviewing and verifying AI-generated content before use.

2. Third-Party AI Providers

Digi Dash may use third-party AI service providers for AI-generated content. By using our AI Services, you also agree to comply with the applicable terms of these providers:

- OpenAI: <https://openai.com/policies/business-terms/>
- Google: <https://cloud.google.com/terms>
- Meshy: <https://www.meshy.ai/terms-of-use>

Digi Dash does not control or guarantee the availability, performance, or accuracy of third-party AI services.

3. User Responsibilities & Acceptable Use

By using the AI Services, you agree to:

- Comply with all applicable laws and regulations when generating and using AI content.
- Not use AI-generated content for unlawful, harmful, or deceptive purposes, including but not limited to hate speech, defamation, harassment, fraud, or copyright infringement.
- Not attempt to reverse-engineer, manipulate, or misuse AI-generated content to exploit vulnerabilities in the AI models.
- Acknowledge that AI-generated content may be biased, inaccurate, or misleading, and you bear full responsibility for its use.

Digi Dash reserves the right to suspend or terminate access to AI Services for violations of these terms.

4. Reservation of Rights for AI Training

Digi Dash reserves the right to use any input and output data from AI Services to improve and enhance its AI models and offerings. We may analyze aggregate and anonymized data to refine our AI capabilities while ensuring compliance with applicable privacy laws.

If you wish to opt out of having your data used for AI training, please sign-up for an enterprise plan or reach out to data@playdigidash.io

5. Intellectual Property Rights

Ownership of Inputs: You retain ownership of the content you submit as input into the AI Services.

Ownership of AI Outputs: To the extent permitted by law, Digi Dash grants you a non-exclusive, royalty-free license to use AI-generated outputs. However, outputs may not be unique, and similar results may be generated for other users.

Third-Party Rights: AI-generated content may unintentionally resemble copyrighted, trademarked, or proprietary material. You are responsible for ensuring compliance with intellectual property laws before commercial use.

6. Disclaimers & Limitation of Liability

Digi Dash makes no warranties or representations regarding the accuracy, reliability, or suitability of AI-generated content.

AI Services are provided "as is" and "as available", without any express or implied warranties, including merchantability, fitness for a particular purpose, or non-infringement.

Digi Dash is not liable for any damages, direct or indirect, arising from the use of AI-generated content.

7. Modifications & Termination

Digi Dash reserves the right to modify these AI Terms at any time. Updates will be posted on our website, and continued use of AI Services after modifications constitutes acceptance of the updated terms.

If you have any questions regarding these AI Terms, please contact us at legal@playdigidash.io
