

Dear Friends of Cleghorn Lions Club and Cleghorn School Park,

Each year, Cleghorn Lions Club hosts a three-day event to raise money to help our community. Harvest Fest is our biggest annual fundraiser and allows our club to help our community and various groups in our region by providing monetary support to organizations such as homeless shelters, food banks, partnering with schools to help low-income families with school supplies and Christmas gifts, donations to organizations that help veterans, and many other worthwhile causes.

Cleghorn School Park has been growing since its inception in August of 2004. The park has become a very busy place. This was our vision: that it would be used by people of all ages for years to come. Harvest Fest provides funding annually to help cover costs of the growing need for improvements and renovations to help maintain the park and keep it relevant to our community's needs.

Harvest Fest is held annually, always the first weekend after Labor Day. **This year's fest dates will be September 11-13, 2026.** Harvest Fest is packed with fun activities for all ages. Events include a silent auction, kids activities, a kids tractor pull, a classic car show, a parade, live music, a sweets and treats social, bingo, a craft and vendor's market, firemen's breakfast, softball, dart and dartball tournaments and the best charcoal chicken in the area, as well as other food and beverage options. There is truly something for everyone!

Each year, we seek monetary donations and items from local businesses to be offered in our silent auction and for door prizes for events being held throughout the weekend. All proceeds benefit the Cleghorn School Park and the local community. Your donation is tax deductible; all gifts are accepted and appreciated. Sincerely,

Cleghorn Lions Club & Harvest Fest Committee.
