

# High-Integrity Pipeline Creation & Go-To-Market Strategy

WHO WE ARE

## Achieving Market Omnipresence

Pickworth GTM is a founder-led revenue architecture firm building high-integrity pipeline and repeatable go-to-market systems.

We replace activity driven sales motion with measurable opportunity creation and scalable GTM infrastructure.

## What We Deliver

- ICP-aligned, qualified pipeline
- Increased velocity and conversion efficiency
- Reduced sales cycle friction
- Hardened product market fit
- Durable revenue systems investors can trust

## How Clients Engage

### *90-Day Pilot*

Rapid pipeline creation and market validation.

### *Embedded Partnership*

Rapid pipeline creation and market validation.

## Our Standard

No calendar theater. No vanity dashboards.

Measured on held, qualified conversations

70% internal held-rate threshold

Clear ownership: we create opportunity; clients close revenue

## Where We Operate

From 0 to 1 startups to venture backed growth companies and public enterprises.

- Artificial Intelligence
- Enterprise Markets
- Healthcare
- Industrial
- Technologies
