2. QUANTUM SERVICES OVERVIEW

2.1. Access.

- 2.1.1 **Quantum Computer Access.** QNTM will make the Quantum Computer available to Customer via a REST API web interface or web portal, such as QNTM’s Nexus Platform Site. The amount of access to the Quantum Computer and the applicable pricing is determined based on terms set out in the Order Form.
- 2.1.2 **Quantum Emulator Access.** QNTM will make the Quantum Emulator available to Customer via a web portal. The Quantum Emulator has realistic error models allowing a Customer to better approximate the results to be expected from the Quantum Computer. The amount of access to the Quantum Emulator is determined based on terms set out in the Order Form.
- 2.2. **Initial Set-Up and Processing Customer Input Data.** After both Parties execute or otherwise assent to the Agreement, we will promptly provide you with a specification sheet that defines expected minimum performance of the Quantinuum System, as well as detailed Quantinuum System documentation that includes datasheets, programming examples, initial API access credentials or

other login credentials, and relevant documentation. Such documentation will be updated by QNTM from time to time, as reasonably necessary. In order for QNTM to process Customer Input Data with the Quantinuum System, you must provide your Input Data to QNTM using an approved programming language, such as the OpenQASM 2.0 or QIR, via the REST API. QNTM commits to retain submitted Input Data, Output Data and job execution metering information on behalf of customer, including execution results, for 40 days. After that time all job information may be deleted and no longer accessible via the API. Input Data, Output Data, job execution metering information, and execution results shall be deemed Customer's or its licensors' Confidential Information.

- 2.2.1 **Authorized User Set-Up.** The Administrator is an Authorized User and may add additional Authorized Users to the Authorized User list using the QNTM-provided user-management portal. Once designated by the Administrator, each Authorized User will receive an email with a temporary password. The new Authorized User will log into the user-management portal and will set their own password. Once set up is complete, the Authorized User may obtain access tokens in order to submit quantum jobs and retrieve job execution results. The Administrator may change any Authorized User to an Administrator and vice versa.
- 2.2.2 **Administrator Set-Up.** Before the first business day of the first full month of your access, QNTM will provide you the ability to designate at least one Authorized User as the organization administrator ("Administrator") for the purposes of managing access to the Quantinuum System for all other Authorized Users. The Administrator and any backup administrator(s) must provide us a valid email address to which a temporary password will be sent after verbal confirmation of the valid email address by QNTM with the Administrator. The Administrator becomes the organization Administrator for the purposes of managing access to the Quantinuum System for all other Authorized Users once the Administrator changes the temporary password using the QNTM-provided user-management portal.
- 2.3. **Customer Support.** We will manage, maintain, and provide access to the Quantinuum System in accordance with the Agreement. However, we do not guarantee that we can or will fix any defect or malfunction or guarantee any level of support (other than the levels of support described in the Agreement) or maintenance availability. We will use commercially reasonable efforts to schedule downtime and routine and emergency maintenance whenever practicable to complete repair and maintenance and minimize system down time whenever possible. We may engage third-party platforms and service providers to provide support services. We are not responsible or liable for any problems, unavailability, delay or security incidents arising from or related to: (a) conditions or events reasonably outside of our control; (b) cyberattack; (c) unavailability of the public internet and communications networks; (d) data, software, hardware, telecommunications, infrastructure or networking equipment not provided by us; (e) your negligence or failure to use the latest version or follow published documentation; (f) modifications or alterations not made by us; (g) loss or corruption of data; (h) unauthorized access via your credentials; or (i) any failure, unavailability, or security incident arising from third-party platforms or service providers used to provide support services, to the extent caused by the acts or omissions of such third parties.
- 2.4. **Upgrades to the Quantinuum System.** Any new or modified functionality added to the Quantinuum System and any updates or enhancements to the services provided are subject to the terms of the Agreement. QNTM reserves the right to deploy updates or enhancements at any time.

3. ACCESS TERM AND PRICING

- 3.1. **General.** The Initial Access Term shall begin on the Effective Date, unless otherwise specified in the Order Form. Once your access begins, you will be charged the rate specified in the Order Form, plus all applicable taxes and fees, for the Initial Access Term. At the end of the Initial Access Term, your access, if subscription based as specified on the order form, will automatically extend for successive periods for the Renewal Term and your new monthly rate will be set at the price in effect on the date of renewal. Either Party may cancel your access by providing the other Party not less

than sixty (60) days written notice prior to expiry of the Initial Access Term or any Renewal Term in accordance with these terms. For the avoidance of doubt, failure to provide the required sixty (60) days cancellation notice would result in renewal of the term until at least sixty (60) days have elapsed to the end of any Renewal Term. Prices are quoted in United States dollars and are exclusive of any applicable taxes, commissions, import duties or other similar taxes or fees.

- 3.2. **Hardware Quantum Credits.** Access to the Quantum Computer is metered through the use of Hardware Quantum Credits (HQCs). HQCs are a representation of the size of a quantum computational job run on the Quantum Computer and are neither units of time nor money, which therefore cannot be resold or delivered as such.

The following formula is representative of the actual formula for HQC calculation:

$$HQC = 5 + \frac{(N_{1q} + 10N_{2q} + 5N_m)}{5000} C, \text{ where:}$$

N_{1q} is the number of one-qubit operations in a circuit,

N_{2q} is the number of two-qubit operations in a circuit,

N_m is the number of measurements in a circuit including any intermediate and final measurements, and

C is the shot count.

- 3.3. **Emulator Quantum Credits.** Access to the Quantum Emulator is metered through the use of Emulator Quantum Credits (EQCs). EQCs are a representation of the size of a quantum emulator job run on the Quantum Emulator and are neither units of time nor money, which therefore cannot be resold or delivered as such.
- 3.4. **Queueing.** Once your access begins, you may place your job(s) in a queue for processing.
- 3.5. **Resale, Transfer, and Refunds.** ANY RESALE OR OTHER TRANSFER OF HQCs AND/OR EQCs FOR CONSIDERATION WILL RENDER THE HQCs, EQCs, AND ASSOCIATED BALANCES VOID AND SUBJECT TO CANCELLATION. YOUR HQCs AND EQCs ARE NON-REFUNDABLE AND WILL NOT UNDER ANY CIRCUMSTANCES, BE REDEEMED FOR CASH, EXCEPT WHERE REQUIRED BY LAW. QNTM RESERVES THE RIGHT NOT TO ACCEPT HQCs, EQCs, AND/OR OTHERWISE LIMIT USE OF HQCs AND/OR EQCs IF IT BELIEVES THE USE IS UNAUTHORIZED, FRAUDULENT, OR OTHERWISE UNLAWFUL OR VIOLATES THE TERMS AND CONDITIONS OF THE AGREEMENT.
- 3.6. **Access Model.** QNTM will use commercially reasonable efforts to provide capacity for Customer to use their HQCs and EQCs; however, QNTM makes no guarantee as to how many HQCs and EQCs you will actually use. HQCs and EQCs cannot be rolled over, and you forfeit any unused HQCs and EQCs at the end of the calendar month. QNTM may offer Standard Access and Premium Access models. The Premium Access model may include higher priority queuing, higher HQCs and a discounted rate as detailed in the Order Form.
- 3.7. **Early Termination of Access.** For any access agreement terms of six (6) months or longer, if you cancel or downgrade your access prior to the end of your access commitment, you will be charged a lump sum amount of 50% in the amount of the balance of the remaining term left in the access entitlement.
- 3.8. **Invoicing & Payment.** You will pay QNTM the Fees in accordance with the Order Form based on your usage of the Quantinuum System and your then-current Access Model. All sums stated under the Agreement are exclusive of applicable taxes and other government charges including, but not limited to all sales, use or excise taxes, commissions, import duties or other similar taxes or fees. We will invoice all applicable sales and related taxes unless you provide a valid exemption certificate. Unless otherwise stated in the Order Form, payment terms are upfront, and the full invoice amount must be received by QNTM on or prior to the first day of access month. QNTM shall provide an

electronic copy of invoice at least fifteen (15) calendar days in advance of the first day of access month. A hardcopy of the invoice shall not be provided. Payments must be in the currency specified in the invoice and must be made via electronic fund transfer or credit card. Disputes as to invoices must be accompanied by detailed supporting information and are deemed waived fifteen (15) days following the invoice date. We reserve the right to correct any inaccurate invoices which must be paid by the original invoice payment due date or the issuance date of the corrected invoice, whichever is later. You will pay all undisputed amounts on each invoice within thirty (30) days after your receipt of an accurate invoice, i.e. an invoice showing only undisputed amounts. All amounts payable under the Agreement are non-refundable and shall be made without set-off or counterclaim, and without any deduction or withholding. QNTM may charge you interest at the lesser of the rate of 1.5% per month and the maximum amount permitted by law on all late payments.

- 3.9. **Increase of Fees.** QNTM shall be entitled to increase the Fees at any point in time after the Initial Access Term, on giving you thirty (30) days' written notice, provided that no such change shall take effect until after the expiry of the Initial Access Term or the then current Renewal Term. QNTM shall not be entitled to increase Fees more frequently than once annually.

4. ACCEPTABLE USE.

- 4.1. **Authorized Users.** You are responsible for all activities that occur under your account (whether by you, your Authorized Users or otherwise). In operating your account, you and your Authorized Users may be required to visit an internet portal or site, through which you will access the Quantinuum System and set up accounts. In operating your account, you must: (a) implement and maintain policies and procedures reasonably designed to maintain the confidentiality of usernames, passwords, or other credentials; (b) not allow (and must ensure that your Authorized Users do not allow) unauthorized users to use your credentials or access your account; (c) promptly notify us of any known unauthorized use or breach of security related to your account; (d) maintain and promptly update Authorized User information if it changes; and (e) comply with (and ensure that your Authorized Users comply with) the User Terms and Conditions. We have no responsibility with respect to any actions or inactions of your Authorized Users, and you will be responsible for access by any party you authorize. We may use rights management features (e.g., lockout) to prevent unauthorized use; if we use such rights management features, we will promptly notify you and include a reasonable description of the rationale for such action. Login credentials are for your internal use only. You may not sublicense, transfer or resell your right to use or permit third parties to use or make copies of the Quantinuum System except as agreed to in writing. We are not responsible for unauthorized access to your account.
- 4.2. **License.** Subject to payment of agreed fees and strict compliance with the terms of the Agreement, we shall provide you for the relevant Term a personal, revocable, non-exclusive, non-assignable, non-transferable license to: (a) use API access credentials or other login credentials we provide solely to operate the Quantinuum System and (b) use Quantinuum System documentation as reasonably required in connection with its use; provided that any access to the Nexus Platform Site shall be subject to Supplementary Terms, and such Supplementary Terms, insofar as concerns its subject matter, shall be the controlling document in the event of a conflict with the Agreement. QNTM may treat your and your Authorized Users' breach of any Supplementary Terms as a breach of the Agreement.
- 4.3. **Compliance.** By accessing the Quantinuum System, you represent and warrant you will comply with all applicable terms of the Agreement when accessing and using the Quantinuum System. You represent and warrant now and throughout the Term that you and your Authorized Users are located and have a physical address in the Territory and will access the Quantinuum System from inside the Territory only. You shall not use the Quantinuum System for purposes of, or in connection with at least the following: (a) reverse engineering; (b) making machine code human readable or creating derivative works or improvements; (c) interfering with the Quantinuum System's security or operation (including probing, scanning or testing the vulnerability of any security measures or misrepresenting

transmission sources); (d) creating, benchmarking or gathering intelligence for a competitive offering or competitive purposes; (e) introducing, transmitting, or storing malicious code, Trojan horse, self-replicating, or other computer instructions that may, without QNTM's knowledge or consent: (i) alter, destroy, inhibit, or discontinue the Quantinuum System; (ii) erase, destroy, corrupt, hold hostage, or modify any data, programs, materials, machine protocols, or information used or accessed by QNTM; or (iii) bypass or disable any internal security measure to obtain access to any QNTM resource(s); (f) introducing, transmitting, or storing any code that may be used, in whole or in part, for compromising any encryption; (g) infringing another's IPR including but not limited to failing to obtain permission to upload/transfer/display works of authorship; and/or (h) any use that would reasonably be expected to cause liability or harm to us or our customers or breach the Agreement. Further, by accessing the Quantinuum System, you represent and warrant you will comply with all applicable laws including data privacy or localization, anti-bribery, trade sanctions and export control laws and regulations of the United Kingdom, United States and other applicable jurisdictions (e.g., export to embargoed, prohibited, or restricted countries or access by prohibited, denied, or designated persons) and your rights to use the Quantinuum System is subject to such compliance. Without limiting the foregoing, you represent that you: (i) are not named on or majority owned or controlled by any entity on any U.S. government list of persons (including, but not limited to, the Specially Designated Nationals and Blocked Persons List ("SDN List") or entities prohibited from receiving exports, (ii) are not accessing the Quantinuum System from any Prohibited Country or other restricted country (including, as of the time of this writing, Russia, Cuba, Iran, North Korea, Syria, the Crimea Region of Ukraine, and the so-called Luhansk People's Republic and Donetsk People's Republic), and (iii) shall not permit Authorized Users to access or use the Quantinuum System in violation of any United Kingdom or United States (or other applicable jurisdictions) trade sanctions or export embargo, prohibition or restriction as specified pursuant to any applicable United Kingdom or United States laws and regulations including without limitation economic and trade sanctions laws, embargoes, and export control laws and regulations. For purposes of FARs, DFARs and access by governmental authorities, the Quantinuum System and the Input Data are "commercial computer software", "commercial computer software documentation" and "restricted data" provided to you under "Limited Rights" and "Restricted Rights" and only as commercial end items. You agree not to use the Quantinuum System to store or transfer any data that would be controlled for export under Export Control Laws. "Export Control Laws" means all applicable export and reexport control laws and regulations, including the Export Administration Regulations ("EAR") maintained by the U.S. Department of Commerce, trade and economic sanctions maintained by the Treasury Department's Office of Foreign Assets Control, and the International Traffic in Arms Regulations ("ITAR") maintained by the Department of State. QNTM will comply with all laws and regulations applicable to the provision of access and services described under the Agreement including data privacy, anti-bribery, and United Kingdom and United States trade sanctions and export laws, including all Export Control Laws (i.e., export to embargoed, prohibited, restricted countries or access by prohibited, denied, and specifically designated persons). Any failure to comply with this provision will be deemed a material breach of the Agreement. You are required to notify QNTM immediately if you or any of your Authorized Users violates or reasonably believe you or any of your Authorized Users will violate, any terms of this provision. With respect to your and any of your Authorized User's access to the Quantinuum System, QNTM may take any and all actions required to ensure full compliance with all trade sanctions laws without QNTM incurring any liability.

- 4.4. **Geographic Restrictions and Prohibited Circumvention.** You acknowledge that the Quantinuum System is licensed for use only within the Territory and that we may employ geo-blocking technologies to enforce this restriction. You shall not, and shall not permit your Authorized Users to, utilize any technology, service, or device, including but not limited to a virtual private network (VPN), proxy service, or any other means to mask, obscure, or misrepresent your or their actual geographic location to access the Quantinuum System from outside the Territory. Any violation of this Section 4.4 shall be deemed a material breach of the Agreement, entitling us to immediately suspend or terminate your access to the Quantinuum System and the Agreement without notice or liability.

- 4.5. **Metric Data.** QNTM reserves the right to collect metrics, including user number, data volume, or other means to measure usage or fees (“Metric Data”) and use any such Metric Data in the course of its business.

5. SUPPORT.

- 5.1. **Scope.** The goal of support services is to identify and remedy defects or malfunctions causing the Quantinuum System to fail to perform in accordance with the agreed specifications and documentation (“Problems”). Support services only cover the current released version generally available to customers. Although our quantum experts, at times, may be able to help you troubleshoot algorithm issues, we are not responsible for any issues, problems, or defects with your algorithm. To minimize programming issues, Authorized Users can run an algorithm through the syntax validator prior to running on hardware. Authorized Users also have access to EQCs to use with the Quantum Emulator for simulation efforts.

- 5.2. **Technical Support.** If you encounter an issue while your job is running in the general queue, we recommend you review the documentation provided. If you are not able to find your answer in the documentation, you may submit your issue request online through our support portal using the support button on the Nexus Platform Site, at <https://support.quantinuum.com>, which is our preferred method for submitting support requests, or by emailing support@quantinuum.com (however, this method may result in longer response times as requests are routed appropriately). No queued access matters will be accepted by phone. All requests must be asked and will be answered in the English language. You acknowledge that support requests for technical support and related services may be processed and stored by third-party service providers. You shall not include Personal Data or Sensitive Personal Information in support requests. Any Input Data or Output Data included in support requests remains subject to the restrictions in Section 7.

- 5.3. **Response Time.** All Problems reported to technical support will receive a response within three (3) business days. Certain problems may be easier to address than others, and we may not be able to completely resolve your problem with our initial response. If we cannot resolve your problem, we will make a good faith effort to give an assessment of the issue and an estimated time for resolution.

6. **TERM, TERMINATION AND SUSPENSION.** The Agreement commences on the Effective Date and continues for the Term. Upon expiry or termination of the Agreement for any reason, the obligation to protect Confidential Information shall survive such termination.

- 6.1. **Termination for Cause and Suspension.** The non-breaching Party may terminate, in whole or in part, if the other Party materially breaches the Agreement and fails to cure within thirty (30) days of written notice. We may terminate upon written notice if: (a) you are insolvent, attempt to obtain protection from creditors, and/or wind down operations; (b) use of the Quantinuum System was granted at no charge; (c) use of the Quantinuum System is fraudulent or if continued use would subject us to third-party liability; or (d) if we cease making the Quantinuum System available to third parties. We may suspend access to the Quantinuum System if we determine that you or your Users are violating or may violate the Agreement. During suspension, you and your Users will not have access to all or part of the Quantinuum System and may be unable to access Input Data or Output Data. Upon termination or expiry: (a) you must pay amounts due; (b) if requested by disclosing Party, receiving Party must return or destroy all Confidential Information and certify the same in writing, except for automatically generated backup copies, anonymized Input Data and Output Data or if maintained for legal purposes; (c) all your and your Authorized Users’ rights immediately terminate;

and (d) nothing in this Section 6 shall restrict or limit QNTM exercising the rights granted to it under Section 7.

- 6.2. **Termination for Convenience.** Notwithstanding anything to the contrary contained in the Agreement, we may terminate the Agreement due to legitimate business reasons, including but not limited to changes in market conditions, strategic direction, or financial considerations, in whole or in part, without cause, and without liability or obligation, upon thirty (30) days' notice. In the event of such termination, where Fees have been pre-paid we shall refund the unused portion on a pro-rata basis to the date of termination.

7. DATA RIGHTS

- 7.1 Subject to the rights granted to QNTM under the Agreement, you or your licensors, as applicable, retain all rights (including Intellectual Property rights) that you or your licensors already hold in Input Data. As a result of your use of the Quantinuum System, you will receive Output Data derived or produced from, or calculated based on, the Input Data. Subject to the rights granted to QNTM under the Agreement, you or your licensors, as applicable, will retain all rights (including Intellectual Property rights) in such Output Data. You acknowledge and agree that QNTM may retain Input Data and Output Data as part of its service in providing the Quantinuum System. QNTM and its Affiliates have the right to retain, store, transfer, disclose, duplicate, analyze, modify, and otherwise use Input Data and/or Output Data (including any Intellectual Property Rights in such data) to provide, protect, improve, or develop our products or services, provided that (i) such Input Data and/or Output Data is aggregated with similar data from other customers of QNTM or is otherwise used in an anonymized form that does not identify you, (ii) QNTM shall not use such Input Data and/or Output Data to train generative artificial intelligence models (unless there are technical safeguards in place that would prevent the relevant Input Data and/or training data being replicated in an output of that generative artificial intelligence model), and (iii) QNTM shall not be entitled to (a) sell or license the Input Data and/or Output Data to third parties, (b) license any patents or other Intellectual Property rights in or under any algorithm in the Input Data to any third party, or (c) otherwise use any Input Data and/or Output Data except as expressly permitted in the Agreement. You must not include any Personal Data in the Input Data or otherwise upload Personal Data on to the Quantinuum System. Other than Input Data and Output Data itself, all information, analysis, inventions, and algorithms derived from Input Data and Output Data by QNTM or its Affiliates (but excluding the Input Data itself) and any IPR obtained related thereto, are owned exclusively and solely by us and are our Confidential Information, and you have sole responsibility for obtaining, and you hereby confirm that you have obtained, all consents and permissions (including providing notices to Users or third parties) and satisfying all requirements necessary to permit our use of Input Data and Output Data. You waive any IPR in suggestions or feedback you or any User provides regarding the Quantinuum System. Nothing precludes a Party from seeking declaratory, injunctive, or other equitable relief from a court of competent jurisdiction. THE LIMITATIONS AND EXCLUSIONS APPLY TO ALL CLAIMS AND CAUSES OF ACTION ARISING OUT OF OR IN RELATION TO THIS AGREEMENT REGARDLESS OF FORM.

12.2.1 **QNTM Indemnification.** We will, at our cost and expense, defend your Indemnitees from all Covered Proceedings, and pay or reimburse all Covered Liabilities arising out of claims by third parties that your use of the Quantinuum System, in accordance with Section 4, infringed or misappropriated a third party’s IPR; provided that, with respect to patents, our obligation is limited to U.S. patents issued before the Agreement becomes effective. We have no indemnification obligations to the extent a claim arises from: (a) Input Data; (b) Output Data and your use of the outputs of the Quantinuum System; (c) use other than under Section 4; (d) combining Quantinuum System with goods or technology or services not supplied by us; (e) modifications by anyone other than us; or (f) compromise or settlement made by you without our written consent. If the Quantinuum System is held, or we believe it may be, infringing, we may undertake at least one of the following with respect to the allegedly infringing materials at our option: (a) procure a license to allow your use; (b) modify them to make them non-infringing; or (c) procure a license to a reasonable substitute product. If we cannot do one of these after a reasonable period, we may terminate the Agreement by notice and refund a pro-rata portion of pre-paid fees received during the applicable period without any further liability. The foregoing are our only liabilities and your Indemnitees’ only remedies for claims the Quantinuum System infringes, misappropriates, or violates IPR.

12.2.2 **Customer Indemnification.** You will, at your cost and expense, defend our Indemnitees against all Covered Proceedings, and hold them harmless from and pay or reimburse all Covered Liabilities, arising out of or in connection with any claims by third parties related to: (a) possession, processing or use of Input Data, Output Data or Personal Data in relation to the Agreement or (b) you or your Users’ infringement, misappropriation or violation of our or a third party’s IPR (except if caused by your authorized use of the Quantinuum System), or (c) your use of the Quantinuum System in breach of any terms of the Agreement.

The Indemnitees shall notify the indemnifying Party in writing of a claim or other event requiring defense or indemnification promptly upon becoming aware thereof. The indemnifying Party shall have the reasonable right to control the defense and/or settlement of each claim and the Indemnitees shall provide reasonable assistance.

13. **TRADEMARK, PUBLICITY, AND DISPARAGEMENT.** You will not use QNTM's logo or trademarks without QNTM's prior written approval. You hereby grant to QNTM and its Affiliates the right to use your name, trademarks, logos or brands on Quantinuum Group websites and marketing collateral, and, if applicable, warrant that no third party clearances are required in respect of such grant. You shall not make statements or representations, or otherwise communicate, directly or indirectly, in writing, orally, or otherwise, or take any action which may, directly or indirectly, disparage the Quantinuum System or QNTM's or its Affiliates' respective officers, directors, employees, advisors, businesses or reputations. Notwithstanding the foregoing, nothing in the Agreement shall preclude you from making truthful statements that are required by applicable law, regulation, or legal process.
14. **MARKETING COMMUNICATIONS.** QNTM may send marketing and promotional emails to you, and your Authorized Users. QNTM will provide an option for any Authorized Users to "opt out" of receiving such emails, should they wish. For the avoidance of doubt, QNTM will not send marketing and promotional emails to any of your employees who have not signed up as Authorized Users to use the Quantinuum System. Even when Authorized Users opt out of marketing messaging, they will still receive messages relating to the running of the service, such service change notifications.
15. **HOSTING.** You acknowledge that the Quantinuum System is hosted using services provided by Amazon Web Services Inc. (or one of its Affiliates) ("Amazon") (such services being the "Hosting Services"), which shall be governed by and are to be provided by Amazon in accordance with the publicly applicable terms specified by Amazon from time to time as applying between it and QNTM (collectively the "AWS Terms"), including <https://aws.amazon.com/service-terms/>. You further acknowledge that certain technical support and related services may be provided through platforms operated by third-party service providers, including ServiceNow, Inc. ("ServiceNow"), which shall be governed by and provided in accordance with the applicable terms specified by such third parties from time to time. You acknowledge that the Quantinuum System and technical support and related services shall not be provided to a standard or service level higher than that indicated by the AWS Terms or the terms of such third-party service providers, as applicable.

You agree that (except in relation to any liability which cannot be limited or excluded as a matter of law):

- (a) QNTM shall not be liable to you (including under any legal theory, including in negligence) in connection with the Hosting Services (or any failure of the Hosting Services) or third-party support platforms (or any failure thereof) save to the extent such liability arises from a breach of the Agreement that is also a breach by Amazon of the applicable AWS Terms or by such third-party service provider of its applicable terms; and
- (b) without prejudice to the additional limitations and exclusions of QNTM's liability in Section 12, QNTM's liability to you (howsoever arising, including in negligence) in connection with the Hosting Services (or any failure of the Hosting Services) or third-party support platforms (or any failure thereof) shall not exceed the amounts QNTM is able to recover from Amazon under the AWS Terms or from the applicable third-party service provider under its applicable terms, as the case may be, in respect of your loss in such circumstances.

You must familiarise yourself and comply (and ensure your Authorized Users comply) with the AWS Terms as amended from time to time. QNTM may treat any act or omission by you, or any Authorized User which places QNTM in breach of any part of the AWS Term(s) or the terms of any third-party service provider used to provide support services, to the extent such terms are made available to you, as a material breach of the Agreement incapable of remedy (and for which QNTM shall be entitled to claim as direct losses any liabilities (including those incurred to other customers under separate arrangements) resulting from a termination or suspension of services by Amazon or such third-party service provider as a result of such act or omission).

Without prejudice to the foregoing, you acknowledge that QNTM or Amazon or any third-party service provider may from time to time carry out routine and emergency maintenance of any equipment used to provide the Hosting Services or support services. You may be unable to access the Quantinuum System or support services during any period in which routine or emergency maintenance is being carried out.
