

Tribute Options

Bench Tribute

Benches can be dedicated in memory of someone. A personalized plaque is attached to the bench, providing a quiet and thoughtful place for reflection.

Pet Memorial

The Pet Memorial offers a heartfelt way to remember and honor four-legged friends with a plaque in the park they loved.

Tree Tribute

Participants can dedicate a tree in the park to commemorate a loved one or significant event. A plaque is typically placed near the tree as a lasting tribute.

Salute a Veteran

The Veterans' Memorial at Stanley Park is dedicated to the men and women who served our country during war and peace - past, present, and future.

Additional Information

- Bench tributes are good for the life of the bench (approx. 10 years) and location must be approved by Stanley Park staff.
- Trees are planted in the spring and fall. Tree varieties and location is at the discretion of Stanley Park staff.
- Each brick in the Veterans Memorial holds 12 individual tributes and will only be engraved once all tribute spots on the brick are sold.
- Payment is due prior to the park ordering the tree, bench and/or plaque.

About Us

Stanley Park, a private non-profit organization, is pleased to offer numerous educational, cultural and entertainment programs, free to the public. Stanley Park also provides boundless access to both passive and active recreational opportunities.

About The Program

Stanley Park of Westfield's Tribute Program not only offers a way to honor loved ones, pets, and veterans but also provides a tax-deductible donation option. Contributions made through tree, bench, pet, and Veteran memorial tributes are fully tax-deductible, which allows donors to support the park in a meaningful and financially beneficial way.

The donations collected help fund the ongoing preservation and enhancement of Stanley Park, ensuring it remains a cherished community space for future generations. By participating in the tribute program, donors play an important role in maintaining the park's beauty and accessibility for years to come.

Bench, Pet, Tree and Veterans' Tribute Program

Bench Tribute

A tribute bench costs \$2,500. The donation of a bench includes the cost and shipping, perpetual care of the bench (for the life of the bench) and a memorial plaque to be placed on the bench. Poly all-weather benches are 5 feet long and are available in three color options. Bench color will depend on the location.

Donations are tax deductible

Pet Memorial

The Pet Memorial Plaque is located just past the entrance to the Frank Stanley Beveridge Wildlife Sanctuary across from the Rec Field. The donation of \$50 covers the cost of the nameplate, the engraving process and the perpetual care of the Pet Memorial Plaque and surrounding area.

Tree Tribute

A tree tribute costs \$1,000. The donation of a tribute tree includes the cost and delivery, planting and perpetual care of the tree and a memorial plaque to be placed with the tree. All tree memorial requests are reviewed by the Horticulturalist, Grounds Supervisors and the Managing Director. They will determine the areas in the park that are available for placement of trees. The type of tree depends upon what best suits the area.

Salute a Veteran Tribute

The donation for each individual brick is \$250. Stanley Park is pleased to offer the opportunity to purchase bricks that will comprise an "honor roll" that will be located in the area of the Veterans' Memorial. The bricks will recognize all veterans – both living and deceased, and will be placed alongside the walkways and other areas of the memorial in recognition and dignity of those we honor.
