Cash management today for government finance officers

Access Millions of Dollars in Aggregate FDIC Insurance Across IntraFi's Network of Banks Working Directly with Just Us

Through ICS®, IntraFi Cash Service®, government depositors, like you, can place funds into demand deposit accounts, money market deposit accounts or both to meet your organization's cash management needs.

Note: A list identifying IntraFi network banks can be found at www.IntraFi.com/network-banks. Certain conditions must be satisfied for "pass-through" FDIC deposit insurance coverage to apply.

Earn a return. Earn interest at a rate set by us. Funds placed through ICS may earn returns that compare favorably to Treasuries and government money market mutual funds and avoid the risks associated with prime money market mutual funds.

Simplify and save time. By providing access to FDIC insurance, ICS can help your organization comply with investment policy mandates and avoid the hassles associated with ongoing collateral-tracking or having to footnote uninsured deposits in financial statements.

Gain transparency. Reporting shows balances, transactions, interest, and other important details associated with your accounts. You also enjoy 24/7 access to information online.

Manage liquidity. Enjoy access to funds placed through ICS into demand deposit accounts and money market deposit accounts.

Support the community. Feel good knowing that the full amount of your funds can stay local to support lending opportunities that build a stronger community.[1]

How does ICS work?

We, like other institutions that offer ICS, are members of the IntraFi network. When we place your deposit through ICS, that deposit is divided into amounts under the standard FDIC insurance maximum of $250,000. The amounts are then placed into deposit accounts at multiple, FDIC-insured banks. As a result, you can access FDIC coverage from many institutions while working directly just with us. Receive one statement from our bank and, as always, know that your confidential information is protected.

[1] When deposited funds are exchanged on a dollar-for-dollar basis with other institutions that use ICS, our bank can use the full amount of a deposit placed through ICS for local lending, satisfying some depositors' local investment goals or mandates. Alternatively, with a depositor's consent, our bank may choose to receive fee income instead of deposits from other participating institutions. Under these circumstances, deposited funds would not be available for local lending.

Deposit placement through an IntraFi service is subject to the terms, conditions, and disclosures in applicable agreements. Deposits that are placed through an IntraFi service at FDIC-insured banks in IntraFi's network are eligible for FDIC deposit insurance coverage at the network banks. The depositor may exclude banks from eligibility to receive its funds. To meet conditions for pass-through FDIC deposit insurance, deposit accounts at FDIC-insured banks in IntraFi's network that hold deposits placed using an IntraFi service are titled, and deposit account records are maintained, in accordance with FDIC regulations for passthrough coverage. Although deposits are placed in increments that do not exceed the FDIC standard maximum deposit insurance amount ("SMDIA") at any one bank, a depositor's balances at the institution that places deposits may exceed the SMDIA before settlement for deposits or after settlement for withdrawals. The depositor must make any necessary arrangements to protect such balances consistent with applicable law and must determine whether placement through an IntraFi service satisfies any restrictions on its deposits. Chapter 34. Public deposits

34.01. Definitions.
In this chapter:

* * *

(4) "Public depositor" means the **state** or any **county, city, village, town, drainage district, power district, school district,** cooperative educational service agency, **sewer district**, or any commission, committee, board or officer of any governmental subdivision of the state or any court of this state, a corporation organized under s. 39.33 or the housing and economic development authority if the authority elects to be bound by all or part of this chapter under s. 234.32 (2), which deposits any moneys in a public depository.

34.05. Designation of public depositories.

* * *

(4) Notwithstanding sub. (1), s. 66.0603 (1m) (a), or any other provision of law, the governing board of a public depositor may direct the treasurer of the governing board to deposit public moneys in a selected public depository and, directly or through an authorized agent, instruct the public depository to arrange for the redeposit of the moneys through a deposit placement program that meets all of the following conditions:

(a) On or after the date that it receives the public moneys, the selected public depository arranges for the redeposit of the moneys into deposit accounts in one or more federal or state savings and loan associations, state banks, federal or state savings banks, savings and trust companies, or national banks insured by the federal deposit insurance corporation or federal or state credit unions insured by the national credit union administration.

(b) The full amount of the public depositor's moneys redeposited by the selected depository into deposit accounts with the financial institutions identified in par. (a), plus any accrued interest, are insured by the federal deposit insurance corporation or national credit union administration.
