BODY CONTOURING

Coolsculpting	Varies
---------------	--------

A non-invasive fat removal procedure that uses controlled cooling to freeze and destroy fat cells, which the body then naturally eliminates

LASERS

Clear & Brilliant

\$250

A mild laser used to help with signs of aging, pigmentation, tone, and texture.

Genesis V

\$300

Treats rosacea, acne, or overall redness

Isolaz

\$150

Helps clear existing acne while helping prevent future breakouts

Tempsure

Varies

Non-invasive treatment using high frequency technology to treat signs of aging.

Lumecca IPL

Varies

Powerful intense pulsed light to treat red and brown pigment as well as vascular lesions

Diolaze

Varies

Quick and gentle laser hair reduction

Cutera

Varies

A customizable, multi-application laser + light-based platform that treats a range of common nonsurgical aesthetic concerns, delivering clinical solutions.

Pico

Varies

A non-invasive laser treatment that uses ultra-short pulses. Pico Laser is ideal for treating sun spots, melasma, and tattoo removal.

MICRONEEDLING

Morphues8

Varies

Microneedling with radiofrequency

SkinPen

\$1200

A series of 3 microneedling treatments

SkinPen + Biosomes

\$1875

A series of 3 microneedling treatments + biosomes

INJECTABLES

Treatments vary in price and require a consult to determine the number of syringes/units to achieve desired results.

Wrinkle Relaxer

Injectable neuromodulators, such as Botox, Dysport, Daxxify and Jeuveau, that temporarily relax facial muscles to soften and smooth fine lines and wrinkles.

Sculptra

A bio stimulator that stimulates collagen production to improve skin texture and appearance. Number of vials is determined by desired results.

Lower Face Package

3-4 syringes of dermal filler to achieve a balanced profile

Midface Package

2-4 syringes of dermal filler placed in midface areas

Full Facial Rejuvenation

4-8 Syringes customized to address impact of aging

Dissolve and Resolve

Start with a fresh canvas by dissolving existing filler and strategically refilling to achieve natural results
