Detailed Detention Policy

Detention Terms & Conditions

Free Time: Two (2) hours of free time is provided for loading and unloading operations. This time begins when the driver arrives at the facility and is ready to load/unload.

Detention Rate: \$50.00 per hour or fraction thereof after the free time period has expired. Detention charges are calculated in one-hour increments.

Notification Requirements: The carrier must notify the broker within 30 minutes of the free time expiring. Failure to provide timely notification may result in reduced or denied detention charges.

Documentation Required: All detention claims must be supported by:

- Signed delivery receipts or BOL with arrival/departure times
- Facility gate logs or security records
- Driver logs or electronic logging device (ELD) records
- Photographic evidence of facility conditions (if applicable)

Exclusions & Limitations

Excluded from Detention:

- Time spent on driver breaks, meals, or personal time
- Delays caused by carrier equipment failure or driver unavailability
- Weather-related delays unless facility operations are suspended
- Time spent on paperwork or administrative tasks

- Delays due to incomplete or incorrect documentation provided by carrier

Billing & Payment Terms

Billing Process: Detention charges will be included on the carrier's invoice for this load. Separate detention invoices will not be processed.

Payment Terms: Detention charges are subject to the same payment terms as the line haul rate. Payment will be made within 30 days of invoice approval.

Dispute Resolution: Any disputes regarding detention charges must be submitted in writing within 7 days of invoice receipt. Supporting documentation must be provided with the dispute.

Policy Acknowledgment

By accepting this load, the carrier acknowledges and agrees to the terms and conditions outlined in this detention policy. This policy is part of the rate confirmation and is binding for all shipments under this agreement.

Effective Date: January 1, 2025

Policy Version: 2025.1
