Central Districts 
Field Days

19-21 MARCH
MANFEILD, FEILDING

WELCOME TO CENTRAL DISTRICTS FIELD DAYS

Welcome to Central Districts Field Days! We're thrilled to invite you to be a part of one of New Zealand's premier agricultural events. For over 30 years, we've been a mainstay for the rural community, evolving from a small collection of marquees into a major national event that attracts over **26,000 visitors to the heart of the North Island.**

This event is more than a field day—it's an opportunity to discover, connect, and experience the **future of New Zealand's primary industries.** From cutting-edge machinery and rural innovation to thrilling competitions, there's something for everyone, whether they're from the farm or town.

While our roots are in agriculture, our event caters to a diverse audience. We proudly showcase a wide range of products and services, from the latest **automotive and heavy equipment to innovative homes, lifestyle products, and an incredible selection of gourmet foods.** This variety is what makes our event a destination for all.

For exhibitors, Central Districts Field Days is a proven platform for success. We've seen countless businesses use our event to **launch new products, increase brand awareness, and drive sales.** This is your chance to get on the ground with new and existing customers and cultivate a thriving presence in your industry.

Our commitment goes beyond the event itself. We're dedicated to investing back into the region and championing the amazing innovations coming out of the lower North Island. We're also **future-proofing the event** with strategic partnerships, improved infrastructure, and new technology to create a more streamlined and informative experience for you and our visitors.

Our small but passionate team is ready to help you succeed. Whether your goal is to **generate qualified leads, boost sales, or simply educate your audience,** Central Districts Field Days is the place to be. The ongoing success of our loyal exhibitors proves that a presence here is a well-worth investment.

We look forward to hearing from you soon!

Jonathan Paul

HOW TO BE AN EXHIBITOR

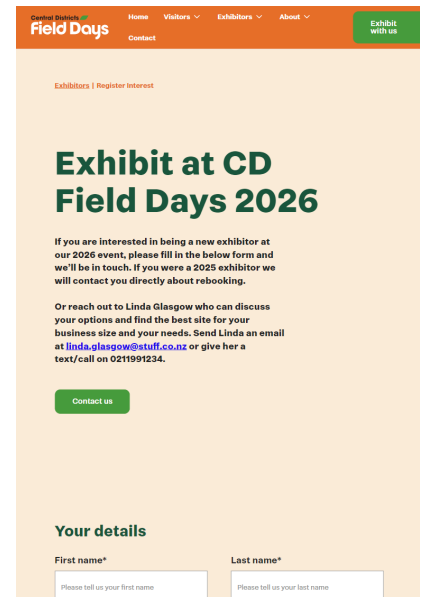

HOW TO APPLY

Visit www.cdfielddays.co.nz and our [Register your Interest](#) page to complete the form. From there, our sales team will be in touch.

This form outlines:

- Contact information
- Products you will be displaying
- Sponsorship opportunities

Please note: Sites are allocated based on the relevance of products and/or services to the area's exhibiting criteria, indoor/outdoor preferences, your size requirements and availability. Please make sure the products or services you intend to display at Central Districts Field Days are appropriate and relevant to the area you wish to exhibit in.

The image shows a web form for registering as an exhibitor for CD Field Days 2026. The header includes the 'Central Districts Field Days' logo and navigation links for Home, Visitors, Exhibitors, and About. A green button labeled 'Exhibit with us' is in the top right. The main heading is 'Exhibit at CD Field Days 2026'. Below this, there is a paragraph explaining the registration process for new and returning exhibitors. A green 'Contact us' button is provided. The 'Your details' section has two input fields: 'First name*' and 'Last name*', each with a placeholder text 'Please tell us your first name' and 'Please tell us your last name' respectively.

Please read and review our [Exhibitor Terms & Conditions available here](#).

SITE MAP

For a general site overview check out our online interactive map at cdf26.expofp.com. Please note all orange sites have been sold and grey sites are on hold.

SITE TYPES

OUTDOOR

Customisable uncovered sites showcase New Zealand's rural way of life. There is space for you to erect structures, get creative with landscaping, incorporate hosting areas in your site design, and further customise the site to your requirements. With a variety of site sizes ranging from 36m² to over 1,500m², we have an outdoor site to suit you.

For exhibitors who require a smaller outdoor site with the convenience of an indoor site at a price that sits comfortably between the two, there are limited 3m x 3m outdoor sites available under marquee cover.

Please note these sites are exclusive of power and water but can be arranged through our sales team.

AGRICULTURAL PAVILION

The Agricultural Pavilion is a highly desirable exhibitor space. This is a must-see destination every year that features over 50 indoor agribusiness sites.

Exhibitors in this premier location can incorporate a variety of innovative design, display and interaction methods to encourage effective customer engagement. Our Agricultural Pavilion is the right place for you to exhibit if your products and services are associated with Agriculture, Horticulture, or any other relevant primary production.

RURAL LIFESTYLE PAVILION

Our Rural Lifestyle Pavilion is another highly desirable exhibitor space and, again, a key visitor destination. Featuring around 75 indoor rural lifestyle sites, this pavilion recognises Central Districts Field Days as much more than a farming equipment event by providing an opportunity for town to meet country. This Rural Lifestyle Pavilion always attracts a high volume of rural and urban event visitors, so it's the right place for you to exhibit if your products and services are relevant to a broader rural and home lifestyle market.

Specifications

Our Agricultural and Rural Lifestyle Pavilion indoor sites include wooden flooring, one 10 amp power and velcro receptive wall panels (usually black, though other colours may be available at an additional fee if ordered early).

Please note: measurements for sites along the outside wall are subject to change.

LIFESTYLE COURTYARD

Our Lifestyle Courtyard is situated outside the Rural Lifestyle Pavilion and provides the opportunity to showcase your lifestyle products in a larger outdoor space. These are supplied as grass sites only and limited spaces are available. For enquiries please get in touch with us.

MARKET PLACE

The Market Place area includes 3mx3m marquees (9m²) on grass for exhibitors who require smaller sites at a more competitive price and located in the high traffic area directly outside the pavilion. Please note these sites do not include wall panels or power. Limited spaces are available. Flooring is not included.

CUISINE PAVILION

The Cuisine Pavilion provides a dedicated space to showcase premium New Zealand food and drink products. Located in the busy section next to the Kids Zone and incorporated into the new premium gourmet food court and bar, this is the ideal place to promote your specialty goods in a relaxed environment to the 26,000+ visitors. You can even demonstrate your products through onsite cooking demonstrations and samples - always a fun and engaging drawcard for visitors of all ages! These sites include wall panels and power is available to be purchased.

FOOD COURT

Food stalls are situated in strategic locations across the venue. Each Food Stall includes off-the-road queueing space, extensive seating, shade and convenience facilities nearby.

Food Court 1: Main food court located next to Lifestyle pavilion and next to the stage.

Food Court 2: Located on the main access point into the heart of the site next to the information centre.

Food Court 3: Located beside the Ag Pavilion.

Premium Food Court: Located next to the Cuisine Pavilion - with the main bar and restaurant situated within.

Food vendor site applications must include:

- Recent photo of set up
- A confirmation that you will only serve in compostable containers provided from our list: [Click here for list](#)
- Power requirements (including attachments and load details).

Important requirements for food/drink stallholders

- Food service - Anyone selling food whether fresh or packaged must complete this council application and obtain a temporary licence from the Manawatu District Council (MDC) in order to operate at the event. [MDC Temporary Food Stall Licence Application](#)
- Alcohol supply and sale - Strict alcohol guidelines apply to the exhibiting, sampling and sale of alcohol for off-licence consumption. Exhibitors are required to have multiple duty managers across the three days of the event. Sale of alcohol is permitted by approval; conditions and licensing from MDC apply. [MDC Special Licence Application](#)

Please keep in mind this is a family-friendly event and we encourage people of all ages to attend. We also heavily promote the Field Days to schools and tertiary educators, so we take the role of host very responsibly.

SITE SPECIFICATIONS & GUIDELINES

POWER

ORDER

Upon confirmation of your site, please let staff know your power requirements. If purchased this will then be logged with our power provider, a power lead will be supplied to the boundary of your site, this lead will be labelled with your company name and site number.

Power pricing can be requested through our sales team.

POWER OPTIONS

10 amp Single Phase	32amp 3 Phase
15amp	63amp 3 Phase
16amp & Caravan Plug	32amp 3 Phase with Lifeguard
32amp Single Phase	63amp 3 Phase with Lifeguard

CHECK YOUR EQUIPMENT

It is the exhibitor's responsibility to ensure all electrical equipment used on site complies with Australian/New Zealand standard 3002:2008. All appliances and electrical equipment must have a current test tag, including extension cords. Power will not be supplied unless all components have current test tags.

ELECTRICAL WARRANT OF FITNESS (EWOFF)

Any connectable installation (i.e. caravan, motorhome or boat) must display a valid electrical warrant of fitness (EWOFF) to show it is safe to connect to, this is required by law. No EWOFF, no connection.

WATER

Water can be purchased for most outside sites. Please raise this with our sales manager when booking. Please note that all food courts are supplied with tap water.

Water pricing can be requested through our sales team.

WATER OPTIONS

Tap installed & truck fill	Truck fill only	Tap only - installed & connected
----------------------------	-----------------	----------------------------------

IMPORTANT INFORMATION

PAYMENT PROCESS

Once a site is confirmed a 50% deposit is required to confirm the site within 14 days of the invoice date up until 05 January. From 05 January until 14 February payment is required within 7 days of the invoice date, after this time immediate payment is required.

The final payment is due 20 January. We must receive payment in full before you gain site access.

Important site fee notes:

- All prices GST exclusive
- All major credit cards are accepted however a 2% surcharge applies
- After the due date, any unpaid invoices may incur a non-refundable late payment fee of \$250 + GST per site and may result in allocated sites being forfeited if fees remain unpaid after a further 14 days

BRAND SUITE

Use of the Central Districts Field Days logo is encouraged in your marketing collateral to promote your presence at the event. Brand guidelines, the Central Districts Field Days logo and other marketing collateral are located on the Exhibitor Hub under the marketing section which will be live from early September.

Feel free to ask us if you are unsure of anything.

HEALTH & SAFETY

We take our Health and Safety seriously as this ensures the longevity of the event as a whole. It most importantly ensures that everyone is safe at all times whether it be during pack in/out or on event days. Please consider the following when talking about your site with our sales manager;

- **Water or Liquid Displays**

All exhibitors with water or liquid displays that are deeper than 200mm (water troughs or any other large open container used for storing water or liquid) must be fenced or permanently covered during the event.

- **Spa Pools**

Water in Spa Pools without steps are allowed with supervised access - to discuss this further and to receive our full Spa Pool safety guidelines please get in touch. Approval from event management is required.

- **Interactive & Amusement Devices**

All exhibitors looking to have interactive public displays including but not limited to, amusement devices, inflatables or displays designed for interaction with children, must provide to event management all necessary permits from the relevant regulatory body. Please download and complete a copy of the Manawatu District council's [Amusement Devices application form](#).

- **Animals**

We are always happy to work with exhibitors who wish to include animals as part of their site. To ensure the safe and humane treatment of animals at the event we will require further details from you for approval.

- **Building Permits**

Exhibitors with marquees and structures 100m² and above must have building consent from the Manawatu District Council. We can include your structure on our event building permit for a \$100.00 administration fee, if you would like to be included please [complete the form linked here](#) by 20 January. After this date the fee will be \$150.00.

- **Food and Beverages**

We value our onsite food vendors who operate from allocated sites selling food and drink to visitors, so we are careful not to encourage activities from non-food exhibitors who may impact on our exhibiting food vendors' commercial enterprise. [If you are planning to provide food at your site and do not consider yourself a food vendor please contact our sales team or let us know by clicking this link.](#)

If you believe any of this is out of your reach then please have a conversation with our team and we are more than happy to work with you to make the site you want work within our H&S plan.

WE WANT TO HELP YOU

Exhibitor Hub

To help you with your planning, we have created an online [Exhibitor Hub](#). It's your one-stop shop for everything you will need to get prepared for the event.

Do you have a story to tell?

We have had many interesting exhibitors over the years at CDFD. We would love to hear if your product has an amazing history, whether it's a family business handed down the generations or the latest innovative technology that is going to change the farming game forever.

We have opportunities for you to be featured in the dedicated CDFD preview or programme publications along with MC interviews on event days and options to spotlight your brand through various sponsorship opportunities.

Please let the team know if any of this interests you as we would love to have a conversation to find out what suits your needs!

[Find out more here.](#)
