

Health and Safety Guide for Spa Pool Demonstration Areas

Your safety and the safety of attendees is our top priority. This guide outlines key safety measures to ensure a safe and enjoyable experience, especially around the spa pool demonstration area. Please read carefully and follow all instructions.

1. Spa Pool Safety

- **No Steps:** Any spa pools on display with water inside must not have steps.
 - **Supervised Access:** Attendees may only enter the spa pool area when a staff member is present.
 - **Stay Alert:** Be mindful of wet surfaces around the spa pools. If the area becomes muddy around the pool use wood chip or similar to improve traction.
-

2. Staff Support

- **Trained First Aid and CPR Staff:** A staff member trained in first aid and CPR will always be present within 2 metres of the spa pool area. They are there to assist in case of an emergency.
-

3. Emergency Procedures

- **In Case of Emergency:** If an incident occurs, remain calm and notify the nearest staff member immediately.
- **First Aid Station:** There are onsite medics on site please contact the event HQ for support.

Thank you for your cooperation. We hope you have a fantastic and safe experience at the event.
