Custom Projects

Everything we have to do to create a 4LIVE Home is interesting.

Which means that we're always looking for new challenges to keep us on our toes. Whether it's a unique shape, a tricky location or a client with a specific vision, we're always up for the challenge.

We create, in many applications the below sectors.

Please request to see the options.

Farm Hand Room

Tea Shed/Hut

How we build homes

No plans on site, no surprises, simple, straightforward and fully managed build options

1. Initial Enquiry
Tell us what you're looking for, and we'll get back to you with options.
2. Site Visit & Design Brief
We'll visit your site, discuss your requirements and put together a design brief.
3. Planning Permission
We'll submit your planning application and manage the process on your behalf.
4. Site Preparation
We'll prepare your site for the delivery of your new home.
5. Delivery & Installation
Your new home will be delivered and installed on site.
6. Handover
We'll complete the final checks and hand over the keys to your new home.

Tell us what you're looking for

Many customers begin with a rough idea of what they want, and we help them refine it. Whether you're looking for a simple garden room or a fully bespoke luxury home, we're here to guide you through every step of the process.
