

# Certificate

The Conformity Assessment Body commissioned by the Catena-X Automotive Network e.V. certifies that the organization:

Cofinity-X GmbH  
 Breslauer Platz 4  
 50668 Köln

has demonstrated Conformity with the Catena-X Ecosystem.

Proof was provided that the requirements of the Catena-X Certification Framework were met.

This certificate entitles you to offer and promote the Catena-X solutions covered by it in the Catena-X Ecosystem. The certified solutions may only be offered as part of the full certification scope. Marketing or making available of individual components outside of this overall context is not permitted.
