## PS CLOUD PMS.

**Fixes Document** 

21-10-2025

This document contains a list of all improvements implemented today. We, the VIPS CloudPMS team, are constantly working to improve and update the application. We can't do this without your help. Thank you!

The following items have been fixed:

Case	Omschrijving
20004	1 2
20684	Previously a departed M&E function room reservation no longer appeared on the M&E rack scree
&	There was a discrepancy in the departed timestamp which is now resolved. The arrival and departe
20580	times are now also displayed in the function room reservation history tab.
