

Fixes Document

13-01-2026

This document contains a list of all improvements implemented today. We, the VIPS CloudPMS team, are constantly working to improve and update the application. We can't do this without your help. Thank you!

The following items have been fixed:

Case	Omschrijving
17986 & 22166	For the online registration module, we corrected some translations in both the online and printed forms. We also corrected some translations in the rooming list.
22213	<p>M&E: an adjustment is made to the M&E package configuration so that these can now only be edited and can no longer be deleted.</p> 
18727	<p>M&E: an incorrect display of times on the Info Board report has been corrected. Times are now properly displayed in 24-hour notation.</p> 
21435	<p>We identified an issue in which price overrides, such as those applied to a breakfast product, were not properly reflected on the receipt during manual reservation creation. This has now been corrected.</p> 
21517	<p>Sometimes the country for a company address didn't appear on the proforma/invoice. This issue has been fixed, and it now shows correctly.</p>
