

Fixes Document

24-03-2026

This document contains a list of all improvements implemented today. We, the VIPS CloudPMS team, are constantly working to improve and update the application. We can't do this without your help. Thank you!

The following items have been fixed:

Case	Description
23264	<p>We observed an issue where a validation message was not displayed when mandatory fields were left blank in the Financial General Settings. This is now restored, and the system now displays a validation message indicating that all mandatory fields—Cancellation Costs, No Show Costs, and Early Departure Costs—must be completed before the form can be submitted.</p>  <p>The screenshot shows the 'Financial' settings modal. A red box highlights the 'Cancellation costs', 'No Show costs', and 'Early departure costs' fields. A red error message is displayed at the bottom of the modal, stating that these mandatory fields must be completed before the form can be submitted.</p>
23289 & 23345	<p>We identified an issue where the system was generating an error when creating a new rental item or M&E meeting room. This has now been resolved.</p>  <p>The top screenshot shows the 'Item Configuration' modal with a red arrow pointing to the 'Add' button. The bottom screenshot shows the 'Meeting Rooms' table with a red arrow pointing to the 'Add' button.</p>
23020	<p>For reservations containing multiple rooms, the roomstay numbers were previously displayed in a non-sequential and mixed order. While stay numbers cannot always be strictly sequential due to differences in arrival dates, they are grouped based on the following sorting order:</p> <ol style="list-style-type: none"> 1. Status 2. Arrival Date 3. Departure Date 4. Sub-number  <p>The screenshot shows a reservation list with columns for 'Number', 'Room', 'Arrival', 'Departure', 'Nights', 'Plan', 'Room Type', 'Rate Plan', 'Rate', 'Status', 'Optional date', 'Inventory Product', 'Block', and 'Performance'. The roomstay numbers are grouped by status and then by arrival and departure dates.</p>
