This document contains a list of all improvements implemented today. We, the VIPS CloudPMS team, are constantly working to improve and update the application. We can't do this without your help. Thank you!

The following items have been fixed:

Case	Description
25543	We fixed an issue where product translations were not correctly applied when a product was added via Book Costs and included in a Proforma Invoice. • If a product has a Translation, the translated text is now displayed in the Proforma Invoice and Print/Download. • If the product has no translation, the Product Description is applied instead.
