* Quiz Room

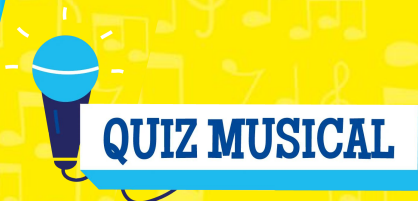

The first immersive quiz, just like on TV...

If you know how to set traps, be the fastest at the buzzer and have a laugh with your friends, you've got what it takes to have a good game of Quiz Room!

Our Games

With rules that change every round and multiple jokers at your disposal, keep an eye on your opponents to destabilise them at the right moment or even steal their points. At Quiz Room you can have fun and unwind, regardless of your level of general knowledge or your questionable taste in music!
