**What Is Scouts BSA?**

Scouts BSA is the traditional Scouting program for boys and girls aged 11-17 years old. It is one of the oldest youth organizations in the United States, where young people can participate in various outdoor activities like camping, hiking, kayaking, mountain biking, and much more! At Scouts BSA, we aim to teach young people:

- Character development
- Citizenship training
- Leadership
- Mental and physical fitness

**What Do Scouts Do?**

Scouts do many activities, including but not limited to:

- Camping
- Hiking
- Exploring hobbies
- Backpacking
- Canoeing
- Exploring potential careers
- Outdoor cooking
- Mountain biking
- Community Service Projects
- Kayaking
- Boat submersant

Scouts in the Scouting program also participate in organized events like summer camp, community service projects, and National Scout Jamboree. Scouting encourages young people to try new things, serve others in their communities, and tackle any challenge they might face in their lives with full hearts and clear minds.

**Why Join Scouts BSA?**

Joining Scouts BSA is an excellent way for young people to get excited about the great outdoors. Scouting is where boys and girls ages 11 through 17 develop leadership skills, a passion for service, and experience personal growth while participating in fun challenges and adventures with other Scouts. |
