GENERATORS

**JCB G40RS**  
2022 • 732 Hours  
VSB0043303  
S/N: 3294737  
£POA

One of our most popular sets, the JCB G40RS is a rental specific 40kVA super-silent generator. It is based around a fully compliant STAGE V engine. This means it is a HVO / Diesel Generator powered generator that meets all the latest emissions regulations. The JCB G40RS generator can be configured either as a road towable unit.
