### **2. STATE OF COMPANY'S AFFAIRS:**

Our Company is, according to JLL report, one of the largest flex space operators in terms of operational flex stock in Tier 2 markets. Since our inception, we have established our presence in both Tier 1 and Tier 2 markets across India.

On standalone basis the Company has earned a total income of Rs. 14886.30 Lakhs in the current financial year 2024-25 as compared to total income of Rs. 10123.21 Lakhs of Previous Financial Year, further during the year under review, the company has achieved net profitability of Rs. 147.67 Lakhs as compared to profit of Rs. 51.04 Lakhs of Previous Financial Year.

On Consolidated basis the Company has earned a total income of Rs. 17788.73 Lakhs in the current financial year 2023-24 as compared to total income of Rs. 11159.12 Lakhs of Previous Financial Year, further during the year under review company has achieved net profitability of Rs. 174.14 Lakhs as compared to profit of Rs. 51.15 Lakhs of Previous Financial Year

There has been no change in the nature of business of the company during the year under review.

### **3. CONVERSION FROM PRIVATE LIMITED COMPANY TO PUBLIC LIMITED COMPANY:**

The Company proposed to undertake an Initial Public Offer ('IPO') of the equity shares comprising fresh issuance of equity shares by the Company and intends to list its equity shares on one or more stock exchanges to enable the shareholders to have a formal market place for dealing with such equity shares. In order to undertake IPO, the Company is required to convert into public limited company in accordance with applicable sections and rules of the Companies Act, 2013.

Accordingly, the Board of Directors, on receipt of approval of the members through Extra Ordinary General Meeting dated July 12, 2024 resolved to convert status from Private Limited Company to Public Limited Company. The Company has received the Certificate of Incorporation consequent upon conversion to public company on September 03, 2024.

Accordingly, private word has been removed from the name of the Company, leading to a consequent amendment to the Memorandum of Association and Articles of Association of the Company.

### **4. FILING OF DRAFT RED HERRING PROSPECTUS:**

Your Company has filed Draft Red Herring Prospectus ('DRHP') for initial public offering of Equity Shares comprising a fresh issue of up to 24,700,000 equity shares of face value of Rs. 2/- each with the Securities and Exchange Board of India ("SEBI"), the BSE Limited (the "BSE") and National Stock Exchange of India Limited (the "NSE", and together with BSE, the "Stock Exchanges") on September 30, 2024. The Stock exchanges have granted In Principle approval, dated December 19, 2024, to the Company for listing the equity shares.

Subsequently, based on the observations received from SEBI and in alignment with its directions, your Board of Directors has decided to file DRHP with SEBI and Stock Exchanges. Accordingly, on March 30, 2025, the Company has filed the DRHP with SEBI and the Stock Exchanges for an initial public offering comprising a fresh issue of up to 27,500,000 equity shares of face value Rs. 2/- each. The Company has also received In Principle approval, dated April 29, 2025, to the Company for listing the equity shares.

### **5. TRANSFER TO RESERVES IN TERMS OF SECTION 134 (3) (J) OF THE COMPANIES ACT, 2013:**

During the year under review, the Company had not transferred any sum to General Reserve Account. Therefore, your Company remained the balance of profit/loss to Profit and Loss Accounts of the Company to Surplus Account.

**6. MATERIAL CHANGES AND COMMITMENT AFFECTING FINANCIAL POSITION OF THE COMPANY:**

There have been no material changes and commitments, which affect the financial position of the company which have occurred between the end of the financial year to which the financial statements relate and the date of this Report.

**7. DIVIDEND:**

During the year under review, your Board has not recommended any dividend.

**8. PERFORMANCE AND FINANCIAL POSITION OF EACH SUBSIDIARIES, ASSOCIATES AND JOINT VENTURE COMPANIES:**

As on March 31, 2025, the Company has following Associates and Subsidiaries:

| Sr No | Name of Company                   | Nature     | Country of Incorporation | Percentage of Holding |

### INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of  
Dev Accelerator Limited  
(Formerly known as Dev Accelerator Private Limited)

#### **Report on the Audit of the Standalone Financial Statements**

##### **Opinion**

We have audited the accompanying Standalone Financial Statements of **Dev Accelerator Limited** (Formerly known as Dev Accelerator Private Limited) ("the Company"), which comprises of the Standalone Balance Sheet as at March 31, 2025, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Cash Flows, the Standalone Statement of Changes in Equity for the period ended and notes to the Standalone Financial Statements including summary of Material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025 and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

##### **Basis for Opinion**

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Standalone Financial Statements section of our report. We are Independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

---

**Information Other than the Financial Statements and Auditor's Report Thereon**

The Company's Management and Board of Directors are responsible for the Other Information. The Other Information comprises the information included in the Board's Report including Annexures to Board's Report, but does not include the Financial Statements and our auditor's reports thereon.

Our opinion on the Standalone Financial Statements does not cover the Other Information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this Other Information; we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of Management, Board of Directors and those charged with Governance for the Standalone Financial Statements**

The Company's Management and Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act, for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgement and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively or ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management and Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management and Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's management and Board of Directors are also responsible for overseeing the Company's financial reporting process.

---

**Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management and the Board of Directors.
- Conclude on the appropriateness of management and Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on Other Legal and Regulatory Requirements**

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief are necessary for the purpose of our audit.
- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid standalone financial statements have been kept so far as it appears from our examination of those books;
- c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss (including other comprehensive income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

- d) In our opinion, the aforesaid Standalone Financial Statements comply with the Accounting Standards specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of internal financial controls with reference to financial statements the Company and the operating effectiveness of such controls, refer to or separate report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to standalone financial statements.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended. In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid/provided by the Company to its directors during the year is in accordance with the provisions of Section 197 read with Schedule V to the Companies Act, 2013.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our and according to the explanations given to us :
- i. The Company does not have any material pending litigations which would impact its financial position.
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at March 31, 2025.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2025.
- iv. (a) The management has represented that, to the best of its knowledge and belief as disclosed in note no.49 to the standalone financial statements, no funds (which are material either individually or in aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the ultimate beneficiaries.
- (b) The management has represented that, to the best of its knowledge and belief, as disclosed in note no.49 to the standalone financial statements, no funds (which are material either individually or in aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of

the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the ultimate beneficiaries.

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

v. (a) The company had not proposed any final dividend in the previous year, which was declared and paid by the Company during the year.

(b) The Company has not declared and paid any interim dividend during the year and until the date of this report.

(c) The Board of Directors of the Company have not proposed any final dividend for the year which is subject to approval of the members in the ensuing Annual General Meeting.

vi. Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2025 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software (refer note 51 to the standalone financial statements). Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail has been preserved by the Company as per statutory requirements for record retention.

**Annexure "A" to the Independent Auditors' report**  
(Referred to in paragraph 1(f) under "Report on Other Legal and Regulatory Requirements section of our report to the members of Dev Accelerator Limited of even date)

**Report on the Internal Financial Controls With reference to financial statement under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls with reference to the standalone financial statements of Dev Accelerator Limited ("the Company") as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

**Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting with reference to financial statements.

**Meaning of Internal Financial Controls with reference to the financial statements**

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purpose in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company, (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company, and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls with Reference to Financial Statements**

Because of the inherent limitations of internal financial controls with reference to financial statement, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as on March 31, 2025 based on the internal control with reference financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note issued by the Institute of Chartered Accountants of India.

**Annexure "B" to the Independent Auditors' Report**

(Referred to in paragraph 1 under "Report on Other Legal and Regulatory Requirements section of our report to the members of Dev Accelerator Limited of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- i. In respect of Company's Property, Plant and Equipment and Intangible Assets :
    - (a) (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets.
    - (B) The Company is maintaining proper records showing full particulars of intangible assets.
  - (b) The Property, Plant & Equipment and right-of-use assets have been physically verified by the management in a phased manner, designed to cover all the items over a period of three years, which in our opinion, is reasonable having regard to the size of the Company and nature of its business. According to information and explanation given to us, no material discrepancies were noticed on such verification.
  - (c) The Company does not have any immovable properties. In respect of immovable properties that have been taken on lease and disclosed in the Financial Statements (as property, plant and equipment, right-of use asset, capital-work-in-progress) as at the balance sheet date, the lease agreements are duly executed in favour of the Company.
  - (d) The Company has not revalued any of its property, plant and equipment (including Right of Use assets) and intangible assets during the year.
  - (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2025 for holding any Benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- ii. (a) The Company does not have any inventory and hence reporting under clause (ii) (a) of the Order is not applicable.
  - (b) As per the information and explanations provided to us and based on our verification of relevant records, we report that the Company has been sanctioned working capital limits in excess of Rs. 5 crores in aggregate from banks during the year, secured against current assets. However, the Company is not required, as per the terms of sanction, to submit quarterly returns or statements (including stock statements, book debt statements) to such banks. Accordingly, the reporting requirement under Clause 3(ii)(b) of the Order is not applicable to the Company.

iii. The Company has not provided any guarantee or security or granted any advances in the nature of loans to companies during the year. The Company has not made investment, provided any guarantee or security or granted any loans or advances in the nature of loans to firms or limited liability partnerships or to any other parties during the year. Further, the Company has made investments in and granted unsecured loans to companies during the year, in respect of which:

(a) The Company has provided unsecured loans during the year and details of which are given below:

| Particulars                        | Aggregate Amount during the year (Rs. In Lakhs) | Balance outstanding at the balance sheet date (Rs. In Lakhs) |
|------------------------------------|---|--|
| - Subsidiaries                     | 60.00   | 62.85  |
| - Joint Ventures                   | Nil   | Nil  |
| - Associates                       | 2,244.09  | 2,777.19   |
| - Others (employees including KMP) | 13.61   | 547.37   |

The Company has not given guarantee or provided security to any other entity during the year.

(b) The investments made and the terms and conditions of the grant of all the above-mentioned loans during the year are, in our opinion, prima facie, not prejudicial to the Company's interest.

(c) In respect of loans granted by the Company, the schedule of repayment of principal and payment of interest has been stipulated and the repayments of principal amounts and receipts of interest are regular as per stipulation.

(d) According to information and explanations given to us and based on the audit procedures performed in respect of loans granted and advances in the nature of loans provided by the Company, there is no overdue amount remaining outstanding as at the balance sheet date.

(e) No loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties.

(f) According to information and explanations given to us and based on the audit procedures performed, the Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year. Hence, reporting under clause (iii) (f) is not applicable.

- iv. In our opinion and according to the information and explanations given to us, the Company has not granted loan or given guarantee or provided security as provided in the section 185 of the Companies Act, 2013. The Company has complied with provisions of section 186 of the Companies Act, 2013 in respect of investments made and loans given. The company has not provided any guarantees or securities to which provisions of section 186 applies.
- v. In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits from the public and is not holding any amounts which are deemed to be deposits within the meaning of the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposit) Rules, 2015 with regard to the deposits accepted from the public are not applicable.
- vi. According to the information and explanation given to us, provision regarding maintenance of cost records under sub section (1) of section 148 of the Companies Act, 2013 is not applicable to the company. Hence, reporting under clause 3(vi) of the order is not applicable.
- vii. In respect of statutory dues:
- (a) The Company has been generally regular in depositing undisputed statutory dues including Provident Fund, Employees State Insurance, Income-Tax, GST and any other statutory dues with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of the above were in arrears as at March 31, 2025 for a period of more than six months from the date on when they become payable.
- (b) The dues of duty of Goods and Service tax, income tax and other statutory dues which have not been deposited on account of any dispute, are as follows:

| Name of Statute                 | Nature of Dues        | Amount Involved | Period     | Forum where the dispute is pending       |
|---------------------------------|-----------------------|-----------------|------------|--|
| Goods and Service Tax Act, 2017 | Goods and Service Tax | 87.65           | FY 2021-22 | State Tax Officer, SGST, Ahmedabad       |
|                                 |                       | 10.58           | FY 2023-24 | Assistant Commissioner, Appeals SGST, UP |
|                                 |                       | 14.15           | FY 2024-25 | Assistant Commissioner, Appeals SGST, UP |

- viii. There were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.

- ix. (a) the company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) To the best of our knowledge and belief, in our opinion, term loans availed by the company were, applied by the company during the year for the purposes for which the loans were obtained, other than the funds lying with the company pending application at the end of the year.
- (d) On an overall examination of the Financial Statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) The company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures during the year and hence, reporting under clause (ix) (e) of the Order is not applicable.
- (f) The Company has not raised loans during the year on the pledge of securities held in its subsidiaries or joint ventures or associate companies. Hence reporting under clause (ix)(f) of the Order is not applicable.
- x. (a) The company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause x(a) of the Order is not applicable.
- (b) The Company has made preferential allotment of shares during the year under audit and all the requirements of section 42 and section 62 of the Companies Act, 2013 have been complied with and the funds raised have been used for the purposes for which the funds were raised. The Company has not made any preferential allotment or private placement of (fully or partly or optionally) convertible debentures during the year.
- xi. (a) To the best of our knowledge, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- (c) As represented to us by the Management, there were no whistle blower complaints received by the Company during the year (and up to the date of this report).

- xii. The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- xiii. In our opinion, the Company is in compliance with Section 177 and 188 of Companies Act, 2013 for all the transactions with the related parties and the details of related party transactions have been disclosed in the Standalone Financial Statements as required under Indian Accounting Standard 24 "Related Party Disclosures" specified under section 133 of the Act.
- xiv. The Company is not a listed company, has paid up share capital of less than fifty crore rupees, turnover of less than two hundred crore rupees, outstanding loans or borrowings from banks or public financial institutions less than one hundred crore rupees, outstanding deposits of less than twenty five crore during the preceding financial year and hence, provision of Section 138 is not applicable to the Company during the year. Accordingly, reporting under clause 3(xiii)(a) and (b) of the Order is not applicable for the year.
- xv. In our opinion, the Company has not entered into any non-cash transactions with directors or persons connected with its directors during the year. Hence provisions of Section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. (a) The provisions of section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934) are not applicable to the Company. Accordingly, the requirement to report on clause 3 (xvi)(a) of the Order is not applicable to the Company.  
(b) The Company has not conducted any Non-Banking Financial or Housing Finance activities without obtained a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.  
(c) The Company is not a Core Investment Company as defined in the regulations made by Reserve Bank of India. Accordingly, the requirement to report on clause 3(xvi)(c) of the Order is not applicable to the Company.  
(d) There is no Core Investment Company as a part of the Group, hence, the requirement to report on clause 3(xvi) (d) of the Order is not applicable to the Company.
- xvii. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors during the year. Accordingly, clause 3(xviii) of the Order is not applicable.
- xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the Financial Statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe

that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

xx. The Company was not having net worth of rupees five hundred crore or more, or turnover of rupees one thousand crore or more or a net profit of rupees five crore or more during the immediately preceding financial year and hence, provisions of Section 135 of the Act are not applicable to the Company during the year. Accordingly, reporting under clause 3(xx) of the Order is not applicable for the year.

|             | Within India         | Outside India |
| Revenue     | 12,612.56            | 240.82        |

| Particulars | As at March 31, 2024 |               |
|-------------|----------------------|---------------|
|             | Within India         | Outside India |
| Revenue     | 10,419.90            | 388.80        |

**33.2** The following table gives details in respect of percentage of revenues generated from top customer and revenue from transaction with customers amounts to 10 % or more of company's revenue

| Particulars   | As at March 31, 2025 | As at March 31, 2024 |
|---|----------------------|----------------------|
| Revenue from top customer   | 130.72               | 861.09               |
| Revenue from customers contributing 10% or more to the Company's revenues |                      |                      |

35 **Financial Instruments - Fair Values & Risk Management:**  
**Accounting Classifications & Fair Value Measurements:**

The fair values of the financial assets and liabilities are measured at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

All financial instruments are initially recognized and subsequently re-measured at fair value as described below :

1. The fair value of investment in quoted equity shares and mutual funds is measured at quoted price or NAV.
2. Fair values of cash and short term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to short-term maturities of these
3. Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on the evaluation, allowances are taken to account for the expected losses of these receivables.
4. The fair value of forward foreign exchange contracts and currency swaps is determined using forward exchange rates and yield curves at the balance sheet date.

The company uses the following hierarchy for determining and disclosing the fair values of financial instruments by valuation techniques:

Level 1 : Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 : Inputs other than the quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

**I. Figures as at March 31, 2025**

### 36 Financial Risk Management

The company's Board of Directors has overall responsibility for the establishment and oversight of the company's risk management framework. The company's risk management policies are established to identify and analyse the risks faced by the company, to set appropriate risk limits and controls and to monitor risks. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the company's activities.

#### 36.1 Credit risk Management

Credit risk is the risk that a counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The carrying amount of following financial assets represents the maximum credit exposure.

##### Trade Receivables

The Company periodically assesses the financial reliability of customers, taking into account the financial condition, current economic trends and ageing of accounts receivable. Individual risk limits are set accordingly. The Company performs impairment analysis at each reporting date using expected credit loss model. The Company does not hold collateral as security.

Accounts Receivable includes receivables aggregating to ₹609.68 Lakhs (previous year ₹519.2 Lakhs) (preceding previous year ₹ 153.6 Lakhs) from one (previous year three) major customers who accounted for more than 10% of the accounts receivables as at 31st march 2025 and 31st March 2024.

#### 36.2 Liquidity Risk

Liquidity Risk is defined as the risk that the company will not be able to settle or meet its obligations on time or at reasonable price. The company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the company's net liquidity position through rolling forecast on the basis of expected cash flows.

##### Maturity profile of financial liabilities

The table below provides details regarding the remaining contractual maturities of financial liabilities at the reporting date based on contractual undiscounted payments.

| Particulars                   | Borrowings including<br>interest obligations | Lease Liabilities | Trade Payables  | Other<br>Financial<br>Liabilities | Total            |
|-------------------------------|--|-------------------|-----------------|-----------------------------------|------------------|

| Less than 1 year              | 426.43                                       | 4,896.20          | 2,131.10        | 379.95                            | 7,833.69         |
| 1 to 5 years                  | 7,011.20                                     | 17,488.91         | 182.80          | 2,362.30                          | 27,046.41        |
| <b>Total</b>                  | <b>7,437.63</b>                              | <b>22,385.11</b>  | <b>3,313.90</b> | <b>2,742.46</b>                   | <b>34,880.10</b> |

#### 36.3 Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loan borrowings.

The Company manages market risk through a treasury department, which evaluates and exercises independent control over the entire process of market risk management. The treasury department recommends risk management objectives and policies, which are approved by Senior Management and the Audit Committee. The activities of this department include management of cash resources, implementing hedging strategies for foreign currency exposures, borrowing strategies, and ensuring compliance with market risk limits and policies.

#### 36.4 Interest rate risk:

Interest rate risk is the risk that fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. In order to optimize the company's position with regards to the interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

With all other variables held constant, the following table demonstrates the impact of the borrowing cost on floating rate portion of loans and borrowings and excluding loans on which interest rate swaps are taken.

| Nature of Borrowing | Change in basis points | Impact on PAT          |                      |
|---------------------|------------------------|------------------------|----------------------|
|                     |                        | As at 31st March, 2025 | As at March 31, 2024 |
| Total borrowings    | (0.50)                 | 47.68                  | 37.39                |
|                     | 0.50                   | (47.68)                | (37.39)              |

#### 36.5 Price Risk:

##### Investment Price Risk:

The company's exposure to price risk arises from investments in equity and mutual fund held by the company and classified in the balance sheet at fair value through profit or loss. To manage its price risk arising from investments, the company diversifies its portfolio.

#### 36.6 Capital management:

For the purposes of the Company's capital management, capital includes issued capital and all other equity reserves. The primary objective of the Company's Capital Management is to maximize shareholder value. The company manages its capital structure and makes adjustments in the light of changes in economic environment and the requirement of the financial covenants.

The company monitors capital using gearing ratio, which is net debt divided by total equity plus debt.

| Particulars                   | As at 31st March, 2025 | As at March 31, 2024 |
|-------------------------------|------------------------|----------------------|
| Borrowings                    | 12,742.22              | 10,105.02            |
| Less: Cash & Cash Equivalents | 150.82                 | 51.40                |
| Net Debt (A)                  | 12,591.40              | 10,073.62            |
| Total Equity                  | 5,456.59               | 3,898.89             |
| Equity and Net Debt (B)       | 18,047.99              | 12,972.51            |
| Gearing Ratio (A/B)           | 0.70                   | 0.78                 |

- 37 In terms of Ind AS 36 - Impairment of Assets issued by ICAL, the management has reviewed its fixed assets and arrived at the conclusion that impairment loss which is difference between the carrying amount and recoverable value of assets, was not material and hence no provision is required to be made.

NOTE: MATERIAL ACCOUNTING POLICIES AND NOTES FORMING PART OF STANDALONE  
FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025

**A) MATERIAL ACCOUNTING POLICIES**

**(a) Information:**

Dev Accelerator Limited is a public company incorporated in India. The Company is engaged in leasing of co-working spaces.

The registered office of the company is located at C-201, 2nd Floor, The First, B/h Keshav Baugh Party Plot Nr. Shivalik High-Street, Vastrapur, Ahmedabad-380015, Gujarat.

**(b) Basis of Preparation:**

**(i) Compliance with Ind AS**

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

**(ii) Historical cost convention**

The financial statements have been prepared on a historical cost basis, except for the following:

- a. certain financial assets and liabilities that are measured at fair value or amortized cost;
- b. defined benefit plans - plan assets are measured at fair value;
- c. Share Based Payments

**(iii) Current and non-current classification**

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle (twelve months) and other criteria set out in the Schedule III to the Act.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The Operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

**(iv) Rounding of amounts**

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

**(c) Key accounting estimates and judgments:**

The estimates and judgments used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Differences between actual

*P. N. Shah*

results and estimates are recognized in the period in which the results are known/materialized.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

**(d) Fair value measurements:**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, as described below, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than the quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3: Input that is significant to the value measurement is unobservable.

For assets and liabilities that are recognized in the financial statements on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Company's management determines the policies and procedures for both recurring fair value measurement and for non-recurring measurement.

P.N. Shah

External valuers are involved for valuation of significant assets. Involvement of external valuers is decided upon annually by the management after discussion with and approval by the Board of directors. Selection criteria include market knowledge, reputation, independence and whether professional standards are maintained. The management decides, after discussions with the Company's external valuers, which valuation techniques and inputs to use for each case.

At each reporting date, the management analyses the movements in the values of assets and liabilities which are required to be re-measured or re-assessed as per the Company's accounting policies. For this analysis, the management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

The management, in conjunction with the Company's external valuers, also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable on yearly basis.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy, as explained above.

**(e) Property Plant & Equipments:**

Property, plant and equipment are stated at cost, net of recoverable taxes, less depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and other cost directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

All expenditure incurred towards fixed assets including expenditure incurred during construction / new projects are accumulated and shown as capital work in progress and not depreciated until such assets are ready for commercial use.

**Depreciation methods, estimated useful lives and residual value**

Depreciation is provided on Straight Line Method on the basis of Useful Life prescribed in Schedule II to the Companies Act, 2013.

The Company depreciates its property, plant and equipment over the useful life in the manner prescribed in Schedule II to the Act, and management believe that useful life of assets are same as those prescribed in Schedule II to the Act.

P.N. Shah

Useful life considered for calculation of depreciation for various assets class are as follows-

|                         |             |
|-------------------------|-------------|
| Computers               | 3-5 years   |
| Furniture and Fixtures  | 10-15 years |
| Office Equipment        | 5-10 years  |
| Intangible Assets       | 5-10 years  |
| Electrical Installation | 10 years    |

The residual values are not more than 5% of the original cost of the asset. The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with carrying amount.

These are included in the Statement of Profit and Loss.

**(f) Intangible Assets:**

Intangible assets are stated at acquisition cost net of tax/ duty credits availed, if any, and net of accumulated amortization. Gains or losses arising from the retirement or disposal of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognized as income or expense in the profit or Loss. Intangible assets are amortized on the straight line method.

**Amortization method and useful life**

The Company amortizes Intangible Assets using the WDV over the period of 5 years for goodwill and 10 years for other Intangible Assets.

**(g) Cash and Cash Equivalents:**

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, cash at bank, deposits held at call with financial institutions, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

**(h) Financial Instruments - initial recognition and subsequent measurement:**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

**i. Financial assets**

**(1) Classification**

The Company classifies its financial assets in the following measurement categories:

- Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss) and
- Those measured at amortized cost.

P. N. Shah

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

The Company reclassifies debt investments when and only when its business model for managing those assets changes.

## **(2) Recognition**

Regular way purchases and sales of financial assets are recognized on trade-date, being the date on which the Company commits to purchase or sale the financial asset.

## **(3) Measurement**

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in Statement of profit and loss.

Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.

## **Debt instruments**

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. The Company classifies its debt instruments as follows:

- **Amortized cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost. A gain or loss on a debt investment that is subsequently measured at amortized cost and is not part of a hedging relationship is recognized in profit or loss when the asset is derecognized or impaired. Interest income from these financial assets is included in other income using the effective interest rate method.

## **Equity instruments**

The Company subsequently measures equity investment at fair value. The Company's Management elects to present fair value gains and losses on equity investments in other comprehensive income on an instrument by instrument basis.

Equity investment in subsidiaries, associates and joint venture are carried at historical cost as per the accounting policy choice given by IND AS 27.

## **Impairment of financial assets**

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortized cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

P.W. Shah

For trade receivables, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognized from initial recognition of the receivables.

**Derecognition of financial assets**

A financial asset is derecognized only when

- The Company has transferred the rights to receive cash flows from the financial asset or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognized. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognized. Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognized if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognized to the extent of continuing involvement in the financial asset.

**ii. Financial liabilities****(i) Initial recognition and measurement**

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, as appropriate.

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings.

**(ii) Subsequent measurement of financial liabilities**

The measurement of financial liabilities depends on their classification, as described below:

- Financial liabilities at fair value through profit or loss or
- Financial liabilities at amortized cost.

**(iii) Offsetting of financial instruments**

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

**(i) Borrowing Cost:**

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an

P.N. Shah

entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

**(j) Revenue Recognition:**

Revenue from operations includes income for the use of co-working space, along with related ancillary services, Payroll Management Services, facility Management and other services.

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer, at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The Company has generally concluded that it is the principal in its revenue arrangements because it typically controls the goods or services before transferring them to the customers.

**Performance obligation**

At contract inception, the Company assess the goods and a service promised in contracts with customers and identifies various performance obligations to provide distinct goods and services to the customers. The company has determined following distinct goods and services that represent its primary performance obligation.

The transaction price of goods sold and services rendered is net of variable consideration on account of various elements like discounts etc. offered by the company as part of the contract.

**Trade receivables**

A receivable represents the company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Refer to accounting policies of financial assets in financial instruments – initial recognition and subsequent measurement.

**Contract liabilities**

A contract liability is the obligation to deliver services to a customer for which the Company has received consideration or part thereof (or an amount of consideration is due) from the customer. If a customer pays consideration before the company deliver services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the company performs under the contract.

**Other operating revenue:**

Incentives under various schemes are accounted in the year in which right to receive is irrevocably established.

**Other revenue:**

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable rate of interest.

P.N. Shah

Interest received on delayed payment is accounted on receipt basis.

Revenue in respect of insurance/other claims etc. is recognized only when it is reasonably certain that the ultimate collection will be made.

#### **Dividends**

Dividends are generally recognized in the Statement of Profit and Loss only when the right to receive payment is established.

#### **(k) Segment Accounting:**

The company operates in a single segment and in line with Ind AS - 108 - "Operating Segments", the operation of the company fall under "Renting and provision of Co-working spaces" business which is considered to be the only reportable business segment.

#### **(l) Provisions and contingent liabilities:**

Provisions are recognized when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognized for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognized as interest expense.

Contingent Liabilities are disclosed in respect of possible obligations that arise from past events but their existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

#### **(m) Employee Benefits:**

##### **Short-term obligations:**

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

##### **Other long-term employee benefit obligations**

The liabilities for earned leave and sick leave that are not expected to be settled wholly within 12 months are measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method.

P.N. Shah

**Post-employment obligations**

The Company operates the following post-employment schemes:

- (a) defined contribution plans such as provident fund, employee state insurance scheme,
- (b) defined benefits plan such as gratuity.

**Defined Benefit Plan – Gratuity**

The liability or asset recognized in the balance sheet in respect of defined benefit gratuity plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

**Defined Contribution Plans**

The Company pays provident fund, employee state insurance for all employees to publicly administered funds as per local regulations. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognized as employee benefit expense when they are due.

**(n) Foreign Currency Translations:****(i) Functional and presentation currency:**

The financial statements are presented in Indian rupee (INR), which is Company's functional and presentation currency.

**(ii) Transactions and balances:**

Transactions in foreign currencies are recognized at the prevailing exchange rates on the transaction dates. Realized gains and losses on settlement of foreign currency transactions are recognized in the Statement of Profit and Loss.

Monetary foreign currency assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognized in the Statement of Profit and Loss.

P.N. Shah

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

**(o) Leases:**

**As a Lessee**

At inception of a contract, the Company assesses whether a contract is, or contains, a lease. A contract is or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

The Company recognizes a Right-of-Use (ROU) asset and a lease liability at the lease commencement date. The ROU asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payment made at or before the commencement date, plus any initial direct cost incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentive received.

The ROU asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the ROU asset or the end of the lease term. The estimated useful lives of ROU assets are determined on the same basis as those of Property, Plant and Equipment. In addition, the ROU asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, and the Company's incremental borrowing rate. Generally, the Company uses its incremental borrowing rate as the discount rate.

**Short-term leases and leases of low-value assets**

The Company has elected not to recognize right-to-use assets and lease liabilities for short-term lease that have a lease term of 12 months or less and leases of low-value assets. The Company recognize the lease payments associated with these leases as an expenses on a straight-line basis over the lease term.

**(p) Income Taxes:**

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

Deferred income tax is provided in full, using the liability method on temporary differences arising between the tax bases of assets and liabilities and their carrying amount in the financial statement. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax assets is realized or the deferred income tax liability is settled.

Deferred tax assets are recognized for all deductible temporary differences and unused tax losses, only if, it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are off set where the Company has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognized in the Statement of Profit and Loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively.

**(q) Earnings per Share:**

**Basic earnings per share**

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the Company
- Weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

**Diluted earnings per share**

Diluted earnings per share adjusts the figures used in determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

**(r) Cash Flow Statement:**

The Cash Flow statement is prepared by the "Indirect method" set out in Ind AS-7 on "Cash Flow Statement" and presents the cash flows by operating, investing and financing activities of the Company. Cash and cash Equivalent presented in the cash flow statement consist of cash on hand and demand deposits with banks.

The amendment to Ind AS 7 requires the entities to provide disclosures that enable users of Financial Statements to evaluate changes in Liabilities arising from financing activities, inducing both changes arising from cash flows and non-cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the Balance Sheet for liabilities arising from financing activities, to meet the disclosure requirement.

P. N. Shah

**(s) Critical estimates and judgments:**

The preparation of financial statements requires the use of accounting estimates may not match the actual results. Management also needs to exercise judgment in applying the company's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgment or complexity, and items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

**(t) Impairment of Non-Financial Assets:**

The Company assesses at each reporting date whether there is an indication that a non-financial asset may be impaired based on internal/external factors. An asset is treated as impaired when the carrying cost of asset exceeds its recoverable Value. An impairment loss is charged to the statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognized in earlier accounting period is reversed if there has been a change in the estimate of recoverable amount. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

**(u) Cash Dividend:**

The Company recognizes a liability to make cash distributions to equity holders of the Company when the distribution is authorized, and the distribution is no longer at the discretion of the Company. Final dividends on shares are recorded as a liability on the date of approval by the shareholders and interim dividends are recorded as a liability on the date of declaration by the Company's Board of Directors.

**(v) Exceptional items:**

Exceptional items are disclosed separately in the financial statements where it is necessary to do so to provide further understanding of the financial performance of the company. These are material items of income or expense that have to be shown separately due to their nature or incidence.

**(w) Events occurring after the balance sheet date:**

Assets and liabilities are adjusted for events occurring after the reporting period that provides additional evidence to assist the estimation of amounts relating to conditions existing at the end of the reporting period.

Dividends declared by the Company after the reporting period are not recognized as liability at the end of the reporting period. Dividends declared after the reporting period but before the issue of financial statements are not recognized as liability since no obligation exists at that time. Such dividends are disclosed in the notes to the financial statements

P. N. Shah

**[B] RECENT PRONOUNCEMENTS**

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. During the year ended March 31, 2025, MCA has notified Ind AS 117 – "Insurance Contracts" and amendments to Ind AS 116 – "Leases", relating to sale and lease back transactions, applicable from April 1, 2024. The Company has assessed that there is no impact on its financial statements.

On May 9, 2025, MCA notified the amendments to Ind AS 21 – "Effects of Changes in Foreign Exchange Rates". These amendments aim to provide clearer guidance on assessing currency exchangeability and estimating exchange rates when currencies are not readily exchangeable. The amendments are effective for annual periods beginning on or after April 1, 2025. The Company is currently assessing the probable impact of these amendments on its financial statements.

*P. N. Shah*

**INDEPENDENT AUDITOR'S REPORT**

To the Board of Directors of  
Dev Accelerator Limited,  
(Formerly known as Dev Accelerator Private Limited)

**Report on the Audit of the Consolidated Financial Statements**

**Opinion**

We have audited the accompanying Consolidated Financial Statements of **Dev Accelerator Limited** (Formerly known as Dev Accelerator Private Limited) ("the Holding Company"), its subsidiaries (hereinafter "The Holding and its subsidiaries" together referred to as the "Group") and its associates which comprise the Consolidated Balance Sheet as at March 31, 2025, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Cash Flows and the Consolidated Statement of Changes in Equity for the period ended, including summary of material accounting policies and other explanatory information. (herein after referred as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

**Basis for Opinion**

We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group and its associates in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there is no key audit matter to communicate in this regard.

*[Handwritten signature]*

**Information Other than the Consolidated Financial Statements and Auditor's Report Thereon**

The Holding Company's Board of Directors is responsible for the Other Information. The Other Information comprises the information included in the Board's Report including Annexures to Board's Report, but does not include the Consolidated Financial Statements and our auditor's reports thereon.

Our opinion on the Consolidated Financial Statements does not cover the Other Information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information, compare with the financial statements of the associates audited by the other auditors, to the extent it relates to these entities and, in doing so, place reliance on the work of the other auditors and consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. Other information so far as it relates to the subsidiaries and associate is traced from their financial statements audited by the other auditors.

If, based on the work we have performed, we conclude that there is a material misstatement of this Other Information; we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of Management and Board of Directors and those charged with Governance for the Consolidated Financial Statements**

The Holding Company's Board of Directors and management is responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these Consolidated Financial Statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group and its associates in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act, for safeguarding the assets of the Group and its associates and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgement and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively or ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Management and Board of Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Management and Board of Directors of the companies included in the Group and of its associate are responsible for assessing the ability of respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Management and Board of Directors either intends to liquidate their respective entity or to cease operations, or has no realistic alternative but to do so.

*P. N.*

The respective Management and Boards of Directors of the companies included in the Group and its associates are also responsible for overseeing the financial reporting process of the Group and its associates of each company.

**Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Group and its associates have adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management and Board of Directors' use of the going concern basis of accounting in preparation of the consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group and its associate's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates to cease to continue as a going concern.

P. M.

- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities of Group and its Associate to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the Consolidated Financial Statements of which we are the independent auditors. For the other entities or business activities included in the consolidated financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Financial Statements.

We communicate with those charged with governance regarding of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on Other Legal and Regulatory Requirements**

As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief are necessary for the purpose of our audit.
- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidation of the financial statements have been kept so far as it appears from our examination of those books and reports of other auditors.

*P. N. Shah*

- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the books of accounts maintained for the purpose of preparation of the Consolidated Financial Statements.
- d) In our opinion, the aforesaid Consolidated Financial Statements comply with the Accounting Standards specified under Section 133 of the Companies (Indian Accounting Standard) Rules, 2015, as amended.
- e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2025 taken on record by the Board of Directors of the Holding Company, and based on our audit reports for the its subsidiaries and the reports of the statutory auditors of its associates, none of the directors of the Group companies and its associates is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of internal financial controls with reference to financial statements of the Holding Company, its subsidiaries & its associates incorporated in India and the operating effectiveness of such controls, refer to our separate report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to consolidated financial statements of the Holding company.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Holding Company to its directors during the year is in accordance with the provisions of section 197 read with Schedule V to the Companies Act, 2013.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our and according to the explanations given to us:
- i. The Consolidated Financial Statements disclose the impact of pending litigations on its consolidated financial position of the Group Company and its Associates in its Consolidated Financial Statements – Refer Note 40 to the Consolidated Financial Statements;
- ii. The Group and its associates do not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at March 31, 2025.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2025.
- iv. (a) The respective Managements of the Group and its associate has represented that, to the best of its knowledge and belief, as disclosed in note no.51 to the consolidated financial statements, no funds (which are material either individually or in aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Group and its associate to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly, lend or invest in other persons or entities

*P. N.*

identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the ultimate beneficiaries.

(b) The respective Managements of the Group and its associate has represented that, to the best of its knowledge and belief, as disclosed in note no.51 to the consolidated financial statements, no funds (which are material either individually or in aggregate) have been received by the Group and its associate from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the ultimate beneficiaries.

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances performed by us and that performed by the auditors of associate companies, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

- v. (a) The Holding company had not proposed any final dividend in the previous year, which was declared and paid by the Holding Company during the year.  
(b) The Holding Company has not declared and paid any interim dividend during the year and until the date of this report.  
(c) The Board of Directors of the Holding Company have not proposed any final dividend for the year which is subject to approval of the members in the ensuing Annual General Meeting.
- vi. Based on our examination which included test checks, the Group and its associates have used accounting software for maintaining its books of account for the financial year ended March 31, 2025 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software (refer Note 54 to the consolidated financial statements). Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail has been preserved by the Group as per statutory requirements for record retention.

Annexure 'A' to the Independent Auditors'

Referred to in paragraph "Report on Other Legal and Regulatory Requirements section of our report to the members of Dev Accelerator Limited of even date)

Report on the Internal Financial Controls under Clause (1) of Sub-section 3 of Section 143 of the Companies Act, 2013("the Act")

In conjunction with our audit of the consolidated Ind AS financial statements of the Company as at and for the year ended March 31, 2025, we have audited the internal financial controls with reference to consolidated financial statements of Dev Accelerator Limited (hereinafter referred to as the Holding Company), its subsidiary companies (The holding company and its subsidiaries hereinafter referred to as "The Group") and its associates which is a company incorporated in India, as of that date,

**Opinion:**

In our opinion to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditor referred to in the Other Matters paragraph below, the Holding and its subsidiary company, which is a company incorporated in India, have, in all material respects, an adequate internal financial controls with reference to consolidated financial statements and such internal financial controls with reference to consolidated financial statements were operating effectively as at March 31, 2025, based on the criteria for internal financial control with reference to consolidated financial statements established by the respective companies considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

**Management's Responsibility for Internal Financial Controls:**

The respective Board of Directors of the Holding, its subsidiary company and its associate, which is a company incorporated in India, are responsible for establishing and maintaining internal financial controls with reference to consolidated financial statements based on the internal control with reference to consolidated financial statements criteria established by the respective Companies considering the essential of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility:**

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements of the Holding, its subsidiaries and its associates which is a company incorporated in

*P. N.*

India, based on our audit. We conducted our audit in accordance with the Guidance Note issued by the ICAI and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to consolidated financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditor of the associates, which is a company incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements of the Holding its subsidiaries and its associates, which is a company incorporated in India.

**Meaning of Internal Financial Controls over Financial Reporting:**

A company's internal financial control with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting:**

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to consolidated financial statements may

**14.2** The Company has issued only one class of equity shares having a par value of Rs. 2 per share. Each holder of Equity Shares are entitled to one vote per share. The Company declares and pays dividend in Indian rupees. The dividend proposed by the Board of Directors is subject to the approval of the shareholders at the Annual General Meeting, except in case of interim dividend. In the event of liquidation of the Company, the holders of equity shares will be entitled to receive the realised value of the assets of the Company, remaining after the payment of all preferential dues. The distribution will be in proportion to the number of equity shares held by the shareholders.

**37 Financial Instruments - Fair Values & Risk Management**  
Accounting Classifications & Fair Value Measurements

The fair value of the financial assets and liabilities are measured at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

All financial instruments are initially recognized and subsequently re-measured at fair value as described below:

1. The fair value of investment in quoted equity shares and mutual funds is measured at quoted price or NAV.
2. Fair values of cash and short term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to short-term maturities of those instruments.
3. Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on the evaluation, allowances are taken to account for the expected losses of these receivables.
4. The fair value of forward foreign exchange contracts and currency swaps is determined using forward exchange rates and yield curves at the balance sheet date.

The company uses the following hierarchy for determining and disclosing the fair values of financial instruments by valuation technique:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than the quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3: Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

**6. Figures as at March 31, 2025**

| Particulars  | Carrying Amount  | Fair value      |                 |                  |
|--|------------------|-----------------|-----------------|------------------|

**DEV ACCELERATOR LIMITED**  
**Notes To Consolidated Financial Statement**

**38 Financial Risk Management**

The company's Board of Directors has overall responsibility for the establishment and oversight of the company's risk management framework. The company's risk management policies are established to identify and analyse the risks faced by the company, to set appropriate risk limits and controls and to monitor risks. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the company's activities.

**38.1 Credit risk Management**

Credit risk is the risk that a counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The carrying amount of following financial assets represents the maximum credit exposure.

**Trade Receivable:**

The Company periodically assesses the financial reliability of customers, taking into account the financial condition, current economic trends and ageing of accounts receivable. Individual risk limits are set accordingly. The Company performs impairment analysis at each reporting date using expected credit loss model. The Company does not hold collateral as security.

Accounts Receivable includes receivables aggregating to ₹1224.12 Lakhs (previous year ₹59.20 lakhs) from two (previous year three) major customers who accounted for more than 10% of the accounts receivables as at 31st March, 2025 and 31st March 2024.

**38.2 Liquidity Risk:**

Liquidity Risk is defined as the risk that the company will not be able to settle or meet its obligations on time or at reasonable price. The company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the company's net liquidity position through rolling forecast on the basis of expected cash flows.

**Maturity profile of financial liabilities:**

The table below provides details regarding the remaining contractual maturities of financial liabilities at the reporting date based on contractual undiscounted payments.

**38.3 Market risk:**

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loan borrowings.

The Company manages market risk through a treasury department, which evaluates and exercises independent control over the entire process of market risk management. The treasury department recommends risk management objectives and policies, which are approved by Senior Management and the Audit Committee. The activities of this department include management of cash resources, implementing hedging strategies for foreign currency exposures, borrowing strategies, and ensuring compliance with market risk limits and policies.

#### 38.4 Interest rate risk:

Interest rate risk is the risk that fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. In order to optimize the company's position with regards to the interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

With all other variables held constant, the following table demonstrates the impact of the borrowing cost on floating rate portion of loans and borrowings and excluding loans on which interest rate swaps are taken.

| Nature of Borrowing | Change in basis points | Impact on PAT        |                      |
|---------------------|------------------------|----------------------|----------------------|
|                     |                        | As at March 31, 2025 | As at March 31, 2024 |
| Total borrowings    | (0.50)                 | 48.89                | 17.19                |
|                     | 0.50                   | (48.89)              | (17.19)              |

#### 38.5 Price Risk:

##### Investment Price Risk:

The company's exposure to price risk arises from investments in equity and mutual fund held by the company and classified in the balance sheet at fair value through profit or loss. To manage its price risk arising from investments, the company diversifies its portfolio.

#### 38.6 Capital management:

For the purpose of the Company's capital management, capital includes issued capital and all other equity reserves. The primary objective of the Company's Capital Management is to maximise shareholder value. The company manages its capital structure and makes adjustments in the light of changes in economic environment and the requirement of the financial covenants.

The company monitors capital using gearing ratio, which is net debt divided by total equity plus debt.

| Particulars                   | As at March 31, 2025 | As at March 31, 2024 |
|-------------------------------|----------------------|----------------------|
| Borrowings                    |                      |                      |
| Less: Cash & Cash Equivalents | 13,057.22            | 10,105.00            |

|                               | 0.71                 | 0.78                 |

- 39 In terms of Ind AS 36 - Impairment of Assets issued by ICAI, the management has reviewed its fixed assets and arrived at the conclusion that impairment loss which is difference between the carrying amount and recoverable value of assets, was not material and hence no provision is required to be made.

**Dev Accelerator Limited**  
**Accounting Year: 2024-25**

**NOTE 1: MATERIAL ACCOUNTING POLICIES AND NOTES FORMING PART OF THE  
CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025.**

**[A] PRINCIPLES OF CONSOLIDATION:**

The consolidated financial statements comprise the financial statements of the Company and its subsidiaries (hereinafter referred to as "The Group") and its associate companies as at March 31, 2025.

Control is achieved when the Company is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Company controls an investee if and only if it has:

- Power over the investee (i.e. existing rights that give it the current ability to direct the relevant activities of the investee)
- Exposure, or rights, to variable returns from its involvement with the investee, and
- The ability to use its power over the investee to affect its returns.

Generally, there is a presumption that a majority of voting rights result in control. To support this presumption and when the Company has less than a majority of the voting or similar rights of an investee, the Company considers all relevant facts and circumstances in assessing whether it has power over an investee, including:

- The contractual arrangement with the other vote holders of the investee
- Rights arising from other contractual arrangements
- The Company's voting rights and potential voting rights
- The size of the Company's holding of voting rights relative to the size and dispersion of the holdings of the other voting rights holders.

The Company reassesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control listed above.

Consolidation of a subsidiary begins when the Company obtains control over the subsidiary and ceases when the Company loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated statement of profit and loss from the date the Company gains control until the date when the Company ceases to control the subsidiary.

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the Company uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that Company member's financial statements in preparing the consolidated financial statements to ensure conformity with the Company's accounting policies.

The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the Company, i.e., year ended on 31 March. When the end of the reporting period of the parent is different from that of a subsidiary, the subsidiary prepares, for consolidation purposes, additional financial information as of the same date as

*P. N. V.*

the financial statements of the parent to enable the parent to consolidate the financial information of the subsidiary, unless it is impracticable to do so.

Consolidation procedure:

- (a) Combine like items of assets, liabilities, equity, income, expenses and cash flows of the parent with those of its subsidiaries. For this purpose, income and expenses of the subsidiary are based on the amounts of the assets and liabilities recognized in the consolidated financial statements at the acquisition date.
- (b) Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary.
- (c) Eliminate in full intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the group (profits or losses resulting from intragroup transactions that are recognized in assets, such as inventory and fixed assets, are eliminated in full). Intragroup losses may indicate an impairment that requires recognition in the consolidated financial statements. Ind AS 12 Income Taxes applies to temporary differences that arise from the elimination of profits and losses resulting from intragroup transactions.

Profit or loss and each component of other comprehensive income are attributed to the equity holder of the parent of the Group and to the non-controlling interests even if this results in the non-controlling interests having a deficit balance. When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies into line with the Group's accounting policies. All intra-group assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

## [B] MATERIAL ACCOUNTING POLICIES

### (a) Information:

Dev Accelerator Limited (the "Company" or "Parent company") was incorporated on August 29, 2020 with its registered office in Ahmedabad. The company along with its subsidiaries (collectively referred to as the "Group") and its associate companies is primarily engaged in the business of providing workspace on rent, integrated facility management income (facility management services) and enterprise workspace designing and building services (construction and fit-out projects).

### (b) Basis of Preparation:

#### (i) Compliance with Ind AS

These Consolidated financial statements Group and its associates have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

*Handwritten signature*

**(ii) Historical cost convention**

The financial statements have been prepared on a historical cost basis, except for the following:

- a. certain financial assets and liabilities that are measured at fair value or amortized cost;
- b. defined benefit plans - plan assets are measured at fair value;
- c. Share Based Payments

**(iii) Current and non-current classification**

All assets and liabilities have been classified as current or non-current as per the Group's normal operating cycle (twelve months) and other criteria set out in the Schedule III to the Act.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The Operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Group has identified twelve months as its operating cycle.

**(iv) Rounding of amounts**

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

**(c) Key accounting estimates and judgments:**

The estimates and judgments used in the preparation of the Consolidated financial statements are continuously evaluated by the Group and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Group believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognized in the period in which the results are known/materialized.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

**(d) Fair value measurements:**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Group.

*P. N. Shah*

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, as described below, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than the quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3: Input that is significant to the value measurement is unobservable.

For assets and liabilities that are recognized in the financial statements on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by

Re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Group's management determines the policies and procedures for both recurring fair value measurement and for non-recurring measurement.

External valuers are involved for valuation of significant assets. Involvement of external valuers is decided upon annually by the management after discussion with and approval by the Board of directors. Selection criteria include market knowledge, reputation, independence and whether professional standards are maintained. The management decides, after discussions with the Group's external valuers, which valuation techniques and inputs to use for each case.

At each reporting date, the management analyses the movements in the values of assets and liabilities which are required to be re-measured or re-assessed as per the Group's accounting policies. For this analysis, the management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

The management, in conjunction with the Group's external valuers, also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable on yearly basis.

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy, as explained above.

**(e) Property Plant & Equipments:**

Property, plant and equipment are stated at cost, net of recoverable taxes, less depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and other cost directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

All expenditure incurred towards Property, plant and equipment including expenditure incurred during construction / new projects are accumulated and shown as capital work in progress and not depreciated until such assets are ready for commercial use.

**Depreciation methods, estimated useful lives and residual value**

Depreciation is provided on Straight Line Method on the basis of Useful Life prescribed in Schedule II to the Companies Act, 2013.

The Group depreciates its property, plant and equipment over the useful life in the manner prescribed in Schedule II to the Act, and management believe that useful life of assets are same as those prescribed in Schedule II to the Act.

Useful life considered for calculation of depreciation for various assets class are as follows-

|                        |              |
|------------------------|--------------|
| Computers              | 3-5 Years    |
| Furniture and Fixtures | 10-15 Years  |
| Office Equipment       | 5-10 Years   |
| Intangible Assets      | 5 – 10 Years |
| Electric Installation  | 10 Years     |

The residual values are not more than 5% of the original cost of the asset. The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with carrying amount.

These are included in the Statement of Profit and Loss.

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognize as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

P. N.

**(f) Intangible Assets:**

Intangible assets are stated at acquisition cost net of tax/ duty credits availed, if any, and net of accumulated amortization. Gains or losses arising from the retirement or disposal of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognized as income or expense in the profit or Loss. Intangible assets are amortized on the WDV method.

On transition to Ind AS, the Company has elected to continue with the carrying value of all of intangible assets recognized as per the previous GAAP and use that carrying value as the deemed cost of intangible assets.

**Amortization method and useful life**

The Group amortizes Intangible Assets using the WDV over the period of 5 years for goodwill and 10 years for other Intangible Assets.

**(g) Cash and Cash Equivalents:**

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, cash at bank, deposits held at call with financial institutions, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

**(h) Financial Instruments - initial recognition and subsequent measurement:**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

**i. Financial assets****(i) Classification**

- The Group classifies its financial assets in the following measurement categories:
- Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
  - Those measured at amortized cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Group has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

The Group reclassifies debt investments when and only when its business model for managing those assets changes.

**(ii) Recognition**

Regular way purchases and sales of financial assets are recognized on trade-date, being the date on which the Group commits to purchase or sale the financial asset.

### (iii) Measurement

At initial recognition, the Group measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in Statement of profit and loss.

Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.

### Debt instruments

Subsequent measurement of debt instruments depends on the Group's business model for managing the asset and the cash flow characteristics of the asset. The Group classifies its debt instruments as follows:

- **Amortized cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost. A gain or loss on a debt investment that is subsequently measured at amortized cost and is not part of a hedging relationship is recognized in profit or loss when the asset is derecognized or impaired. Interest income from these financial assets is included in other income using the effective interest rate method.

### Equity instruments

The Group subsequently measures equity investment at fair value. The Company's Management elects to present fair value gains and losses on equity investments in other comprehensive income on an instrument by instrument basis.

Equity investment in subsidiaries, associates and joint venture are carried at historical cost as per the accounting policy choice given by IND AS 27.

### (iv) Impairment of financial assets

The Group assesses on a forward looking basis the expected credit losses associated with its assets carried at amortized cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables, the Group applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognized from initial recognition of the receivables.

### (v) Derecognition of financial assets

A financial asset is derecognized only when

- The Group has transferred the rights to receive cash flows from the financial asset or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Group evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognized. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognized. Where the entity has neither transferred a financial asset nor

P. M.

retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognized if the Group has not retained control of the financial asset. Where the Group retains control of the financial asset, the asset is continued to be recognized to the extent of continuing involvement in the financial asset.

## ii. Financial liabilities

### (i) Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, as appropriate.

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Group's financial liabilities include trade and other payables, loans and borrowings.

### (ii) Subsequent measurement of financial liabilities

The measurement of financial liabilities depends on their classification, as described below:

- Financial liabilities at fair value through profit or loss or
- Financial liabilities at amortized cost.

### (iii) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

## (i) Borrowing Cost:

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

## (j) Revenue Recognition:

Revenue from operations includes income for the use of co-working space, along with related ancillary services, Payroll Management Services, facility Management and other services.

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer, at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The Company has generally concluded that it is the principal in its revenue arrangements because it typically controls the goods or services before transferring them to the customers.

## Performance obligation

At contract inception, the Company assess the goods and a service promised in contracts with customers and identifies various performance obligations to provide distinct goods and services to the customers. The Group has determined following distinct goods and services that represent its primary performance obligation.

The transaction price of goods sold and services rendered is net of variable consideration on account of various elements like discounts etc. offered by the company as part of the contract.

**Enterprise workspace designing and building services (Designing and Execution):**

Design and fitout service where the Group is acting as a contractor, revenue is recognized in accordance with the terms of the construction agreements. Under such contracts, assets created do not have an alternative use and the Group has an enforceable right to payment.

The Group uses the output method to measure the progress towards the satisfaction of its performance obligations over time. Under this method, revenue is recognized based on direct measurements of the value of services transferred to the customer to date relative to the remaining services promised under the contract. Such measurements may include, but are not limited to, surveys of work performed, appraisals of results achieved, milestones reached, or other observable results. Management periodically reviews and revises its estimates of progress and, consequently, the amount of revenue to be recognized. Such revisions are treated as changes in accounting estimates and are applied prospectively from the period in which they are determined.

Revenues in excess of invoicing are classified as unbilled revenue while invoicing and collection in excess of revenue are classified as deferred revenue. The Group presents service revenue net of indirect taxes in its Restated Consolidated Statement of Profit and Loss.

**Contract balances**

The Policy for Contract balances i.e. contract assets, trade receivables and contract liabilities are as follows:

**Contract assets**

A contract asset is the right to receive consideration in exchange for services already transferred to the customer (which consist of unbilled revenue). By transferring services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is unconditional.

**Trade receivables**

A receivable represents the Group's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Refer to accounting policies of financial assets in financial instruments – initial recognition and subsequent measurement.

**Contract liabilities**

A contract liability is the obligation to deliver services to a customer for which the Group has received consideration or part thereof (or an amount of consideration is due) from the customer. If a customer pays consideration before the Group deliver services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Group performs under the contract.

**Other operating revenue:**

Incentives under various schemes are accounted in the year in which right to receive is irrevocably established.

**Other revenue:**

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable rate of interest.

Interest received on delayed payment is accounted on receipt basis.

Revenue in respect of insurance/other claims etc., is recognized only when it is reasonably certain that the ultimate collection will be made.

**Dividends**

Dividends are generally recognized in the Statement of Profit and Loss only when the right to receive payment is established.

**(k) Segment Accounting:**

The group operates in a single segment and in line with Ind AS - 108 - "Operating Segments", the operation of the group fall under "Renting and provision of Co-working spaces" business which is considered to be the only reportable business segment. The activities carried out by the associate are not reviewed separately and the criteria for identifying operating segments are not met hence Segment Reporting is not applicable in respect of the Associate Company.

**(l) Provisions and contingent liabilities:**

Provisions are recognized when the Group has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognized for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognized as interest expense.

Contingent Liabilities are disclosed in respect of possible obligations that arise from past events but their existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made. The Group does not recognize a contingent liability but discloses its existence in the financial statements.

**(m) Employee Benefits:****Short-term obligations**

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

**Other long-term employee benefit obligations**

The liabilities for earned leave and sick leave that are not expected to be settled wholly within 12 months are measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method.

**Post-employment obligations**

The Group operates the following post-employment schemes:

- (a) defined contribution plans such as provident fund, employee state insurance scheme.

**(n) Foreign Currency Translations:****(i) Functional and presentation currency**

The financial statements are presented in Indian rupee (INR), which is Company's functional and presentation currency.

**(ii) Transactions and balances**

Transactions in foreign currencies are recognized at the prevailing exchange rates on the transaction dates. Realized gains and losses on settlement of foreign currency transactions are recognized in the Statement of Profit and Loss.

Monetary foreign currency assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognized in the Statement of Profit and Loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

**(o) Leases:****As a Lessee**

At inception of a contract, the Group assesses whether a contract is, or contains, a lease. A contract is or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

The Group recognizes a Right-of-Use (ROU) asset and a lease liability at the lease commencement date. The ROU asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payment made at or before the

*[Handwritten signature]*

commencement date, plus any initial direct cost incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentive received.

The ROU asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the ROU asset or the end of the lease term. The estimated useful lives of ROU assets are determined on the same basis as those of Property, Plant and Equipment. In addition, the ROU asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, and the Group's incremental borrowing rate. Generally, the Group uses its incremental borrowing rate as the discount rate.

#### **Short-term leases and leases of low-value assets**

The Group has elected not to recognize right-to-use assets and lease liabilities for short-term lease that have a lease term of 12 months or less and leases of low-value assets. The Group recognize the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

#### **(p) Income Taxes:**

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

Deferred income tax is provided in full, using the liability method on temporary differences arising between the tax bases of assets and liabilities and their carrying amount in the financial statement. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax assets is realized or the deferred income tax liability is settled.

Deferred tax assets are recognized for all deductible temporary differences and unused tax losses, only if, it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are off set where the Company has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognized in the Statement of Profit and Loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively.

**(q) Earnings per Share:**

**Basic earnings per share**

Basic earning per share is calculated by dividing:

- the profit attributable to owners of the Group
- Weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

**Diluted earnings per share**

Diluted earning per share adjusts the figures used in determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

**(r) Cash Flow Statement:**

The Cash Flow statement is prepared by the "Indirect method" set out in Ind AS-7 on "Cash Flow Statement" and presents the cash flows by operating, investing and financing activities of the Group. Cash and cash Equivalent presented in the cash flow statement consist of cash on hand and demand deposits with banks.

The amendment to Ind AS 7 requires the entities to provide disclosures that enable users of Financial Statements to evaluate changes in Liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the Balance Sheet for liabilities arising from financing activities, to meet the disclosure requirement.

**(s) Critical estimates and judgments:**

The preparation of financial statements requires the use of accounting estimates may not match the actual results. Management also needs to exercise judgment in applying the company's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgment or complexity, and items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

**(t) Impairment of Non-Financial Assets:**

The Group assesses at each reporting date whether there is an indication that a non-financial asset may be impaired based on internal/external factors. An asset is treated as impaired when the carrying cost of asset exceeds its recoverable Value. An impairment loss is charged to the statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognized in earlier accounting period is reversed if there has been a change in the estimate of recoverable amount. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

**(u) Cash Dividend:**

The Company recognizes a liability to make cash distributions to equity holders of the Company when the distribution is authorized, and the distribution is no longer at the discretion of the Company. Final dividends on shares are recorded as a liability on the date of approval by the shareholders and interim dividends are recorded as a liability on the date of declaration by the Company's Board of Directors.

**(v) Events occurring after the balance sheet date**

Assets and liabilities are adjusted for events occurring after the reporting period that provides additional evidence to assist the estimation of amounts relating to conditions existing at the end of the reporting period.

**[C] Recent Accounting Pronouncements**

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. During the year ended March 31, 2025, MCA has notified Ind AS 117 – "Insurance Contracts" and amendments to Ind AS 116 – "Leases", relating to sale and lease back transactions, applicable from April 1, 2024. The Company has assessed that there is no impact on its financial statements.

On May 9, 2025, MCA notified the amendments to Ind AS 21 – "Effects of Changes in Foreign Exchange Rates". These amendments aim to provide clearer guidance on assessing currency exchangeability and estimating exchange rates when currencies are not readily exchangeable. The amendments are effective for annual periods beginning on or after April 1, 2025. The Company is currently assessing the probable impact of these amendments on its financial statements.

P. M. W.
