

Description

Transform your space with the PDO MK1.1 AC. This power outlet unit hides away beneath the surface when not in use, thanks to its sleek design, it provides four power outlets and two USB charging ports. It comes with chrome handles that fold flat, enabling effortless elevation and retraction of the unit. Built from high-quality aluminum, the PDO MK1.1 AC is not only durable but also adds a stylish touch to your space. It's designed with safety in mind, featuring overload protection and a splash-proof seal to prevent any accidental damage, ensuring a secure way to meet your power needs..
