

# Description

The PowerDock 445 features multiple SA socket outlets and a 30W dual-port USB charger with both USB-A and USB-C ports, offering flexible charging options for your devices. Constructed from durable aluminum, it boasts a sleek, modern design. The round top cap and chrome handle make it easy to raise and lower the unit, while the integrated seal ensures water resistance when closed. It also includes a 15A resettable thermal overload protection switch for added safety.
