

## Your Final March update

In a weeks time we will be opening the gates for an action packed 3 days. Here are a few final reminders and some other helpful info to make your time on site as easy as possible.

We look forward to seeing you soon if we haven't already. Remember to join us on Thursday from 4:30pm at the Premium Foodcourt & Bar for our exhibitor function. See you there!

## What you need to know

### Exhibitor Staff Passes

Exhibitor passes have now been sent out, these are a digital pass with a scannable QR code. Passes can be printed or displayed on a phone for entry each event day.

The main site contact has received a Fliicket link to manage your allocation of passes. Within Fliicket you can:

- Send passes to staff
- Track allocations
- See which passes have been accessed by staff

You can now access our [helpful how-to guides](#) to make this process as easy as possible.

If you haven't received access, it may be due to outstanding payment, public liability documentation, or risk assessment requirements. Please contact Christine at [cdfieldddays@stuff.co.nz](mailto:cdfieldddays@stuff.co.nz) if unsure.

### Linda Site Visits

Would you like Linda to visit you while on site? If so, [please complete our form](#).

### Exhibitor Hub

Please remember to [check out our Exhibitor Hub](#) for all the info and helpful resources you should need in the lead up to the event. If you haven't already it's time to check out what you've missed.

### Event Headquarters

Throughout the event, from pack in to pack out, you will find a friendly, helpful face at the CDF Headquarters (HQ), located through the gate off the Kawakawa Road entrance. [View key timings for pack in](#). If you have any questions about your site, requirements, or any event details, please come see us. Please also feel free to call us on **0800 333 678** or email [cdfieldddays@stuff.co.nz](mailto:cdfieldddays@stuff.co.nz)

### Staff Safety Inductions

Our online induction form has been created for exhibitors and contractors to complete prior to the event - saving you time on the day! Once the induction is completed a certificate of completion will be emailed to you, this should then be shown to security at the gate to receive a wristband. This wristband will then allow you access to the site during pack in and pack out and must be worn at all times (you only need to show the induction certificate once). [Complete the online induction form](#). **Please ensure you pass this to your contractors and staff.**

## Site Safety

While driving on site please ensure:

- 5 Km speed limit.
- Seat belts must be worn if present.
- Do not use hazard lights on site as indicators are needed for turning.

It is compulsory for all exhibitors and staff to wear a high visibility (hi-vis) vest during pack in and pack out. You will be unable to gain entry to the site if you do not have one. You need to supply enough vests for all staff, suppliers and contractors working on your site during this time. During event opening hours, there is no need to wear hi-vis.

## Forklift Bookings

Forklifts can be pre-booked prior to arrival onsite.

- 30-minute time slots
- \$50 per slot
- Strictly for unloading/loading only (not site repositioning)
- Maximum load: **2 tonnes (no exceptions)**
- Proof of weight required

Bookings are limited and fill quickly during peak pack-in times.

Please ensure you book in enough time for the type of lift you need. To book a forklift, [fill in and submit this required form](#) and we will be in touch regarding payment and to confirm your booking time.

## Drone

No drones are to be flown at any time on site without prior permission from event management. To request this please email [cdfielddays@stuff.co.nz](mailto:cdfielddays@stuff.co.nz). The pilot must hold a relevant Part 101 or 102 certification for flight activity to be considered.

## Exhibitor Function and Auction

We look forward to seeing you at our annual exhibitor function from 4.30pm, Thursday 19 March at the Premium Food Court & Bar for a few cheap drinks, good food, and our annual auction, all raising money for Rural Support Trust. If you would like to donate something for the auction, [please fill out this form](#). We'll also be presenting the Exhibitor Site Awards at the function.

## Not too late for some promo

What are you showcasing this year? Whether it's a groundbreaking product launch, a hands-on activation, a solution to a challenge our rural community is facing, or the latest in home comforts, we want to hear about it.

Fill out the [form here](#) and we'll be in touch if there's a suitable opportunity to tell your story.

## Pack Out

**Outdoor sites** must be cleared by 11:30am Wednesday 25 March, please ensure all holes on your site are filled with dirt and compacted. **Pavilions** and all other covered sites must be cleared by 11:30am Monday 23 March.
