

## Your June update

Central Districts Field Days is returning to Manfeild from **18–20 March 2027**, bringing together the very best of New Zealand's primary industries and the latest in home, automotive and lifestyle products.

Site re-bookings are officially open, and planning is well underway behind the scenes. Over the coming months, we will be keeping you fully updated with event news, site improvements, and everything you need to know to be event ready.

For those of you attending Mystery Creek Fielddays, we wish you a highly successful show, but before you head off, make sure to look over the key updates below and if you haven't already, secure your spot with us for next year!

## What you need to know

### Site Rebookings

Previous CD Field Days exhibitors have an exclusive booking window until 24 June to lock in their site before we go to the wider market. Please check your inbox for an email from the team to confirm your site.

### Site Payments

Payments will be split into two payments (unless you opted to pay in full). The first payment will be due 20 August or 14 days from invoice date, whichever is the later. Final payment will be due 20 January.

### Changes to Pavilions

Following a review of our pavilions we have made a couple of changes we want to make you aware of:

- **The Lifestyle Pavilion:** Formerly the *Rural Lifestyle Pavilion*, has been renamed to better reflect the range of products and services on offer.
- **The Rural Pavilion:** Formerly the *Agricultural Pavilion*, has been renamed to better encompass the range of products and services on offer and to broaden its appeal to visitors.
- **Layouts:** We've slightly adjusted layouts across all pavilions to better align with entranceways and the marquee structures.

Any changes that affect your site will be communicated by Linda once we receive your rebooking response.

### Sponsorship

Want to double down on your awareness at the event? We have a number of partnership opportunities available and would love to discuss how we can get your business or brand in front of visitors in the lead up to and at the event. [Get in touch with Kristine.](#)
