SPORT. IT MAKES US FEEL.

It takes us on an emotional rollercoaster; a ride where the lowest of lows are still never enough to stop us dreaming of those highest of highs.

We keep coming back for more, following our teams and cheering on our favourite stars as we stand arm-in-arm with friends and fellow fans, hearts pounding, nails bitten, united for a moment in time as we will our heroes on.

And we revisit those occasions over and over again, sharing our favourite stories, reliving famous victories and processing the moments that didn't quite pan out how we hoped.

The Loft Bar is a place where all of this happens.

A destination where like-minded souls gather and embrace all that is beautiful about sport – the action, the emotion, and the friendships which are born through shared experiences.

It's a venue where you'll find your sport is always on, any day of the week, any time of the day, any corner of the globe. From the biggest clashes on the planet to the world's most niche events - if you want to see it, we want to show it.

It's a sports bar... but it's not your typical sports bar. Every aspect of The Loft Bar has been elevated – literally and figuratively. From the state-of-the-art audio/visual system to the freshest, most flavoursome food and the city's finest hand-crafted cocktails, every element has been designed to deliver a truly unique and uplifting experience.

It's a place for anyone to drink, dine, dance and watch; a place to combine a great night out with your passion for sports icons, in an environment where respect is a non-negotiable and fun is guaranteed! Surround yourself with the action, commiserating with mates, celebrating with your besties, and reveling in the fervor of fandom as you cheer your champions on.

Win, lose or draw, it's probably time for a drink.
