Message from the President

On behalf of the Bow Valley College community, congratulations!

Convocation is about you — so this is your day! It is an occasion when the college community, family, and friends come together to celebrate your significant achievement. That you have made it to this day is a testimony to your resilience, creativity, and commitment. By challenging your thinking, you gained the work-ready skills to make a difference in our communities and contribute to Alberta's economy.

Take a moment to reflect on the encouragement you received from others along your journey. Your supporters helped you to be your best, and they are excited for what you will accomplish next.

Your Bow Valley College education has equipped you not just with knowledge, but with the agility and resilience to thrive in a world that is constantly evolving. You are prepared to navigate challenges with confidence, to innovate with purpose, and to launch into exciting new opportunities and a future of possibilities. You have the skills to get jobs or to be job creators. As you embark on your next career steps as a member of this alumni community, know that we will continue to be here to help you reach your lifelong learning goals.

Congratulations once again on your achievement. You have worked hard, and we are confident you will achieve great things. Good luck!

Sincerely,

Dr. Misheck Mwaba, P. Eng
President and CEO

Dave Collyer

Former Chair, Board of Governors, Bow Valley College

Dave Collyer served as Chair of the Bow Valley College Board of Governors from 2014 to mid-2021 and was awarded an honorary diploma from the Chiu School of Business in spring 2022.

With more than 40 years of experience in the energy sector, Dave has extensive knowledge of both upstream and downstream operations. He currently serves on several corporate and public sector boards and provides consulting services to the industry.

Over the course of his career, he has held a broad range of technical, business, marketing, and senior leadership roles at Shell Canada, culminating in his role as President and Country Chair. Following his retirement from Shell, Dave served as President of the Canadian Association of Petroleum Producers (CAPP) from 2008 to 2014. During his tenure at CAPP, he led a significant shift in the industry's focus on environmental performance and public engagement.

In 2016, Dave was inducted into the Canadian Petroleum Hall of Fame. He holds a Bachelor of Science in Mineral Engineering and a Master of Business Administration from the University of Alberta.

Distinguished Speakers

Valedictorians

Camilo Soto Cordovez

Advanced Game Development
Diploma, School of Creative Industries
and Digital Technology

Camilo Soto Cordovez has been drawn to video games and game design since he was young. After leaving the Computer Science degree program at the University of British Columbia, he chose Bow Valley College's Advanced Game Development Diploma for its hands-on approach, and to build a strong portfolio alongside like-minded classmates.

Learning from industry professionals, competing in game jams, and receiving guidance on the job market made a career in games feel like a real possibility. Camilo aspires to make games of all shapes and sizes, exploring how mechanics and narrative can be one and the same.

Jacqueline Vandenbos

Social Work Diploma,
School of Community Studies

Jacqueline Vandenbos first came to Bow Valley College in 2019, completing the Early Learning and Child Care Certificate before spending five years as a kindergarten educator at Tyndale Christian School. Shaped by her own lived experience and the stories of others who have faced trauma, abuse, and marginalization, she returned to Bow Valley College, enrolling in the Social Work Diploma, determined to create safe spaces for people to feel heard and seen.

As a volunteer at the college's Iniikokaan Centre, Jacqueline learned from Elders, and participated in the Social Work Club. Jacqueline is now a case worker at True North Society in Strathmore, supporting people escaping domestic violence. Her goal is to advance preventative care through research or education.

We'll put the focus on capturing it.

Congratulations on all you've accomplished.

Photos will be available to download starting **December 2**.

Welcome to the Alumni Community

Congratulations, graduands! As you cross the stage today, you'll receive an alumni pin marking your transition from student to graduate and welcoming you into the Bow Valley College alumni community.

Earlier this year, we celebrated graduates like Liz Nandee, Shona Reilly, and Karamjeet Karam through our inaugural Alumni Awards. Through leadership, innovation, and service, they are creating positive change in their professions and communities. Their stories offer a glimpse of the many paths Bow Valley College alumni take after graduation.

As you begin your own alumni journey, we look forward to celebrating your future successes and invite you to take advantage of alumni events, programs, and benefits.

Update your contact information to stay connected.
