Please familiarize yourself with our policies related to tuition:

- The maximum income for Free is set by the State of Louisiana and subject to change.
- If you believe you qualify for Free, Tier 1, or Tier 2 tuition, you will need to turn in income verification documents to the school. Free seats may be limited based on state funding allocations.
- Any student without approved income verification documents will be charged at the Tier 3 level.
- Employees who have their children enrolled in PreK may elect to have tuition automatically deducted from their paychecks.
- The first payment is due at the time of enrollment and each payment is due at the first of the month thereafter. For first payments made prior to August 1, the 2nd payment is due on September 1, and the first of each month thereafter through May 1. If the first of the month falls on a weekend or other school holiday, tuition is due on the next school day. (10 payments)
- Tuition may be paid in the school's main office with cash, check, debit card, or credit card. Invalid or otherwise returned checks will incur a \$30 fee.
- A 10% discount is offered if the entire year's tuition is paid by October 1 (or within the first month of enrollment for students enrolled after October 1).
- Monthly tuition rates are not pro-rated based on the number of school days in a month or the number of days attended by a student.

- Failure to pay monthly tuition in a timely fashion may result in forfeiture of the student's seat.

I have read and understand the school's PreK tuition policies outlined above.
