Director's Highlights

As we turn the page into September, I'm reminded of how this month represents both change and continuity. The days may grow a little shorter, but the spirit of our community continues to shine brightly. Just as autumn reminds us to slow down and take in the beauty around us, I hope each of you takes time this month to enjoy the small moments—whether it's sharing a meal with a neighbor, joining in an activity, or simply enjoying the fresh breeze of a September morning. Thank you for making our community such a warm and welcoming place.

Always-Bobbi Jo

- **Lounge/Clubhouse Usage:** Please make sure ALL Lounge/Clubhouse reservations and/or large group usage go through the Life Enrichment Office to help prevent double-bookings.
- **Survey:** Please take a minute or two to fill out the Life Enrichment Survey, located in this newsletter. They are due by September 5th at the Front Desk.
- **Event Highlight:** **Once In A Blue Moon Gala**

This Gala is hosted by Children In Crisis for the girls in our local foster care system. They have invited 100 of our ladies to join them. They would love for the women to socialize and connect with the young girls who will be in attendance. There will be music, dancing, conversation, passable hors d'oeuvres, and more! Let's show these girls that they are not forgotten and they have a community of women who love them! Cost is \$5, please sign-up at the front desk by Sept. 19th to help CIC with their headcount.

For everyone's safety, please make a **complete stop** before pulling out of the Sunset Gate. We've noticed some vehicles rolling through without stopping, which has caused oncoming cars to brake suddenly on the sharp curve. Let's work together to keep our community and roadways safe.

Resident name tags can be ordered for \$10 at the front desk.

Maintenance Notes & Updates

Happy Labor Day! This holiday recognizes and celebrates the achievements of American workers!!!

We have several projects getting ready to kick off. First will begin the construction of the walking trail that will go around campus. The trail will help keep folks off the street and give it more of nature's feeling when walking.

Getting the stairwells in Village 5 repaired and painted is next up. This has been an on-going issue, but I think we have a permanent fix this time around. This may start in late September or early October depending on the contractor's schedule.

Also, the same contractor will be resurfacing the Community Center's pool and hot tub area. As many of you know there is cracking about one foot off the edges. We are going to fix that and have a more traditional surface.

September, unit inspections with dates and wings below:

September 5 – Village 5 Building 1100
 September 12 – Village 5 Building 1110
 September 19 – Village 5 Building 1120
 September 26 – Village 5 Building 1130

Monthly Pool Maintenance:

Commons pool will be closed: **September 8 & 22.**

Village 6 pool will be closed: **September 15 & 29.**

If you see anything out of the ordinary around campus, please don't hesitate to call us. You are all our eyes and ears on campus. In addition, if there is an emergency or urgent work order, please call maintenance at (850) 613-2054 during duty hours (7am-5pm), call security after hours. For routine work or honey do requests, please submit maintenance requests in the boxes, Uniguest, or Maintenance Care.

Tune into the In-House Cable TV **Channel 1993** for village updates.
