Director's Highlights

October is Fire Prevention Month—a reminder for all of us to take simple but important steps to stay safe. At Bob Hope Village, your safety is our top priority, and we encourage everyone to practice good fire prevention habits. Please remember not to leave cooking unattended, avoid using extension cords for permanent wiring, and ensure that candles are avoided (as they are not allowed). Take time to familiarize yourself with evacuation routes and know where the nearest fire extinguishers are located. Together, we can help keep our community safe and protected.

REMINDER: To help us serve you best, feel free to give us a call the day before your appointment to confirm it's on the schedule. We're always happy to double-check for you!
